## MALLORY HAT WEEKS

And we are glad to again call your attention to the fact that we have a wonderful line of these and that our complete spring line is now on sale. A "correct fitting, right styled" hat is the one small item that makes you look and feel dressed up.

A great many fellows like a cap for spring wear. We have recently received two express shipments of very fine ones.

JUST TO CALL TO YOUR ATTENTION

That our line of Neckties is most complete. Above illustration shows the most popular style worn; but we have a nice line of Bow Ties, Wash Ties and straight Four-in-hand.

## Young Men Want Young Men's Clothes

There never was a time when young fellows were so keen for snappy styles and new models as this spring. The above picture shows one of our "classy" new models, and we have several others that are equally stylish. For the more conservative man we have a large line of staple yet stylish models and in all good colors.

### Gray and Blue Serges

Sell very readily to young men and men, and we have a nice line of these. If you want "Value First" in good clothes, not always the cheapest but the best for the money, we feel sure you will be pleased with our merchandise.
