WILL "USE NOTHING GERMAN"

Club Organized for the Purpose of
Boycotting Products of Hun
Manufacture.

Chicago.—High art and low art,
music and literature and dolls that
talk and walk are to be taboo forever
and forever to members of a new club
here, when they hear the "Made in
Germany" stamp or flavor.

"Use Nothing German" is the name
of the club. And the women who have
formed it swear that they mean what
they say, and that after the war they
intend that the kaiser does not re-
cuperate from the ills he has brought
upon himself through their aid.

The club expects to spread its mes-
sage countrywide, and thus to induce
women throughout the United States
to back them up in ignoring every-
thing German.

100,000 YANKEES DISABLED

Only About 20,000 Soldiers Will Have
to Be Retrained.

Washington.—Present estimates of
military authorities put the number
of Americans disabled in the war at
100,000. Of this number it is esti-
mated that 80,000 will be able to re-
turn to their old occupations, leav-
ing 20,000 who need retraining for
work suited to their maimed condition.

The federal board of vocational edu-
cation, appealing to the country for
aid in the campaign to make disabled
soldiers independent by making them
self-supporting, announced that so far
13,000 men injured in fighting the bat-
tles of democracy have registered for
retraining. The applications of 1300
have been approved and 500 actually
have started courses in re-education.
At least 15,000 disabled men are ex-
pected to enroll for vocational courses.

Irish Appeal to King George.

London.—A petition has been sub-
mitted to King George, signed by a
number of prominent Irish officers
who served in the British army during
the war, praying that Irish home rule
be submitted to the peace conference.
The petition points out that 200,000
men in Ireland and an equal number
of Irish from Great Britain's overseas
dominions volunteered for service in
the war.

Roosevelt Day Proposed.

Washington.—A bill setting aside
October 27 as a national holiday, to
be known as Roosevelt day, was in-
troduced by Representative Bachar-
ach, of New Jersey, and referred to
the house judiciary committee.

IT'S WORTH WHILE—THAT'S WHY

Watch Our Neighbor!

Australia has made war bond
buying compulsory. Every one of
the British countries is still buy-
ing, and France—France with her
industries laid waste, her farms de-
vastated, her land shell blown, and
her homes destroyed—France is
buying short term bonds at de-
creased rate of interest in small
amounts but great numbers.

Fifth Loan To Be Last.

Washington.—Only one more big
war loan drive is planned by the treas-
ury department, Secretary Glass stat-
ed. This will be the Victory liberty
loan, to be floated probably the last
three weeks in April. The amount
will not be more than \$6,000,000,000
and may be \$5,000,000,000.

United States is the lack of thrift,"—
Frank Crane.
