If each one of our citizens would do something every day to beautify and make things more pleasant for the city, don't you know that the traveling public would soon take notice and say Scio is an up to date town? Pick up any loose, coarse gravel, or scraps of paper, scraps of lumber, etc., you find and see what an improved appearance you would soon make. Let everyone make it a point to do this. Have some civic pride about you.

We make a specialty of Friendship, Engagement and Wedding Rings. F. M. French & Son, Albany, Oregon.

"Egg Day."

The farm bureau of Jackson county is operating an egg marketing plan. A certain day of each week is known as "egg day" when farmers deliver their eggs to a central place where they are candled and cased, the actual cost of candling and crates being charged against the farmer according to the number of eggs he brings. The eggs are sold to the highest bidder and have brought an advance of from six to eight cents a dozen over the prices received before this plan was used.
