Oregon

What is said to be the largest land transaction ever consummated in Umatilla county, and one of the largest to take place in eastern Oregon in years, was completed at Pendleton, when the Cunningham Sheep & Land company was purchased by Fred W. Falconer of Enterprise at a price said to exceed a half million dollars. Included in the deal are 25,000 acres of land and 14,000 head of sheep.

Official or complete unofficial returns from every county in the state give Senator Johnson a plurality of 2158 in the recent presidential preference primary election. On the face of these figures, Johnson received 45,917 against 42,752 for General Wood. Governor Lowden ran third with a total of 15,601, while Herbert C. Hoover received 14,930 votes despite the fact that he had withdrawn as a candidate in this state.

Arrangements have been completed by J. A. Churchill, state superintendent of schools, whereby the Oregon State Normal school at Monmouth will conduct a 12 weeks' course during the summer for the benefit of students who are graduates of a standard four-year high school, and who wish to take the examination for a teacher's certificate but have not finished an elementary teachers' training course, nor a course at the normal school.

Filing fees as provided under the Oregon laws are not a part of the campaign expenses of candidates for office, according to a legal opinion given by Attorney-General Brown. The attorney-general held in his opinion that a person wishing to run for office is not a candidate until the filing fee is paid, therefore this contribution to the state would not be considered a part of expense of the candidate in making his campaign.

It is expected that the work of paving the Pacific highway northward from Albany to the county line at Jefferson will be completed by July 1. The Linn county court will make application to the state highway commission for paving the highway southward from Albany to a point beyond Tangent this summer. The grade of this section was prepared last year. The court plans also to prepare during the summer the grade between Tangent and Shedd.

To increase the city's water supply the water commissioners of The Dalles have decided to run a tunnel through the solid rock near Hanson's mill on the east fork of Mill creek, about 15 miles from The Dalles. Bids for the work will be called about June 5. The tunnel will be rushed to completion in order that the city may have more water during the summer months. Experts say that when completed the tunnel will insure a six-inch stream of water.

Business Is Good

All of our merchants so report. Yet it is not so good but what it can be made better by judiciously advertising in

The Scio Tribune

Advertisements in The Tribune are profitable to advertisers in Albany, Salem, Portland, San Francisco, New York and Chicago.

WHY?

Because an ad in The Tribune gets results. If these foreign ads pay, surely every merchant in Scio will get good results by judiciously advertising in their home newspaper.

Every Business Man

in Scio should be represented in some way in The Tribune. It will be of indirect value to our town and community and of direct value to the advertiser, and, incidentally, to the paper.

Henry J. Schullerman, state corporation commissioner and candidate for secretary of state on the republican ticket at the primary election, was requested to resign from his office, in a letter prepared by Governor Olcott. Mr. Schullerman's resignation is to become effective at once, according to the executive's letter. Concurrent with the request for Mr. Schullerman's resignation, Governor Olcott announced the appointment of T. H. Handley of Tillamook, as successor to the office.

There are included in irrigation districts now organized in Oregon a total of 1,036,283 acres, of which 278,388 acres are actually under water at the present time, according to a report prepared by Percy Cooper, state engineer. State guarantee of interest has been authorized on bonds amounting to \$2,600,000, and \$3,290,000 already has been expended in development of the

various districts.
