Sheriff Kendall emptied 400 bottles of beer and two gallons of dandelion wine into the sewer in Albany last Friday.

How much money will the 60,000 shriners leave in Portland? Fifty dollars each, \$30,000, is probably a too modest estimate; \$100,000 will probably be nearer the correct mark.

Mr. Hunt, a posting machine expert from Eugene, was in town Friday overhauling and cleaning the posting machine at the bank.

Everybody can do as much work as he desires this week, that is to say if he can be satisfied, for there is more daylight this week than any other of the year and is probably the reason why the shriners selected it for their festivities in Portland.

Work has been held back on the power project at Jordan for lack of lumber due to non delivery of same because of the bad condition of the Richardson Gap road.

Another Royal Suggestion

PIES and PASTRIES

From the NEW ROYAL COOK BOOK

CHEER up! There is no further reason for worrying about table variety. The new Royal Cook Book gives new suggestions for every meal every day. The book is so full of surprises there will never be another dull meal in the home. Here are a few suggestions from the new Royal Cook Book.

Plain Pastry

This recipe is for one large pie with top and bottom crust
2 cups flour
 $\frac{1}{2}$ teaspoon salt
2 teaspoons Royal Baking Powder
 $\frac{1}{2}$ cup shortening
cold water
Sift together flour, salt and baking powder; add shortening and rub in very lightly with tips of fingers (the less it is handled the better the paste will be). Add cold water very slowly, enough to hold dough together (do not work or knead dough). Divide in halves; roll out one part thin on floured board and use for bottom crust. After pie is filled roll out other part for top.

Rich Pastry

2 cups pastry flour
 $\frac{1}{2}$ teaspoon Royal Baking Powder
 $\frac{1}{2}$ teaspoon salt
 $\frac{1}{2}$ cup shortening
cold water
Sift flour, baking powder and salt; add one-half shortening

and rub in lightly with fingers; add water slowly until of right consistency to roll out. Divide in halves; roll out one half thin; put on in small pieces half remaining shortening; fold upper and lower edges in to center; fold sides in to center; fold sides to center again; roll out thin and put on pie plate. Repeat with other half for top crust.

Apple Pie

$\frac{1}{2}$ cup flour
 $\frac{1}{2}$ teaspoon Royal Baking Powder
 $\frac{1}{2}$ teaspoon salt
2 tablespoons shortening
4 apples, or 3 quart sliced apples
2 tablespoons sugar
1 teaspoon milk
Sift flour, baking powder and salt; add shortening and rub in very lightly; add just enough cold water to hold dough together. Roll half out on floured board, line bottom of pie plate; fill in apples, which have been washed, pared and cut into thin slices; sprinkle with sugar; flavor with cinnamon or nutmeg; wet edges of crust with cold water; roll out remainder of pastry; cover pie, pressing edges tightly together and bake in moderate oven 30 minutes.
