VOL. XXIV. NO. 26.

SCIO, LINN COUNTY, OREGON, FEBRUARY 10, 1921

\$1.75 THE YEAR

SCHOOL NOTES.

The Oregon Journal contains the following account of the basketball game played in Scio Friday evening: "The Scio high school basketball team, playing at their forum, defeated the Stayton high school five Friday night 27 [37] to 10. The visitors, handicapped on a new floor, were outclassed in every department of the game."

The lineup follows:

Stayton 10	Scio 37
Fisher 4	F. Densmore 14
Neal 2	F. White 13
Smith	C. Sims 10
Fehlen	G. Hiron 8
Mielke 4	G. Neal

Even though defeated Stayton's record is somewhat better than it would have been had the game not been played. The original agreement concerning games was that a return game should be played and that the expense each team should be allowed would be \$7.50. In spite of the agreement and even though both schools had an open date, Stayton at first refused to play in Scio. When they did come it was necessary to promise them expenses as a variation from the original agreement. After the game \$21 instead of \$7.50 was asked by the Stayton manager, \$15 of which was paid. That Stayton came under protest and asking extra favors is against them, but their record is improved by their coming.

The girls play at Corvallis Saturday. A bunch of "rooters" is expected to go along.

Says the school reporter: "The Scio Tribune is certainly to be thanked for aid rendered the school at a very inconvenient and inappropriate time."

Died

At Scio, Oregon, February 3, Mrs. T. L. Dugger in her 74th year.

SANTIAM FARM TOPICS

Two of John Gaines' sons, Art and Frank, came up from St. Johns to visit their father who is paralyzed. They also called on Uncle S. W. Gaines, returning to Portland Sunday.

Ed Kalina is sick with headache from handling blasting powder.

John Brock and son of Providence called on Pie Eater and Geo. Griffin last week.

George Sutherland was around selling Linn county road bonds soon disposing of \$3000 worth for Franklin Butte road.

Daye Horsburgh started for Scio Friday. A quarter mile from home his car balked. He got his team and put Lizzie in the shade.

Mrs. Mandy Montgomery was operated on at Albany Saturday for appendicitis and is doing fine.

Miss Margaret Brock is sick at Mill City. Her mother, Mrs. Etta Sutherland, is with her.

Lester Bilyeu started with a live hog for West Scio, but his car was stalled on cemetery hill and had to call on Scio for help.

Uncle Tom Smail bought a fine cow from Oscar Pomeroy for \$40 as he is starting a dairy.

Billy Richardson lost two of his registered \$40 sheep; they got into a ditch.

Clyde Rucker was over from Crabtree Monday for a load of straw.

Mrs. Ed Kalina ground into sausage a 189-lb. hog and packed it in jars for home use.

The editor has the heartfelt sympathy of the Santiam Proprietor and good wife, as we have experienced similar sad bereavements.

Mrs. Summers has gone into the goose business as she is getting a fine lot of eggs from one old gander. PIE EATER.

Carl Foltz Passes.

To the Editor:

Carl Foltz, one of our old pioneers, died Tuesday morning, February 8, at the age of 89 years.

Thirty-six years ago he came to Jordan with a number of other settlers—the Benders, Silbernagels, Reisterers, and Erfferts, and with him the last of these stern old men has passed away.

He was held in high esteem for his genuinely christian and gentlemanly qualities by all who knew him.

The funeral will be at Jordan on Thursday morning, February 10.

F. BONIFACE.

Riley Shelton, the veteran real estate broker of Scio, and John F. Kukaeka of Scio, who has experience in the business of land selling, are now operating together in a general real estate brokerage business in Scio; both are bonded, licensed brokers under the laws of the state of Oregon, and are now ready to handle land deals, provided the price is right, for those who desire to sell. Call and list your farm lands, city property, and farm and city property for rent. We assure you, the seller and purchaser fair and just treatment.—Pd. adv.

Announcement.

Mr. Edsel B. Ford, president of the Ford Motor company, gives out the following statement:

"The price of the Fordson tractor has been reduced from \$790 to \$625, effective immediately.

"The price change has been made possible through lower costs of materials and the fact that we are now located in our new tractor plant with greatly increased economic manufacturing facilities in immediate connection with our foundry and machine shops and large blast furnaces where iron is poured directly from the ore, giving us maximum efficiency with the power to reduce cost of production, and down comes the price in line with our policy to market our products at the lowest possible figure without in any way affecting our high standard of quality.

"We are particularly pleased in being able to bring about this big reduction in price at this time because the farmer needs all the help we can give him and this big cut in price will be the means of placing a valuable power unit within the reach of practically every one of them, not to mention industrial and commercial concerns which likewise have benefited through its use and are already realizing, to a much greater extent, its value as a power and hauling unit. But particularly has the Fordson tractor proved a most valuable factor in the saving of farm labor, at the same time increasing the per acre crop yield as well as making possible a utilization of previously uncultivated land, to say nothing of removing no end of drudgery.

"There is no question that the use of machine power on the farm is the greatest advancement made in the development of agriculture, not only in money saving and money making results, as well as raising the standards of living on the farm to a much higher level, but because of its proved value in making every type of land more productive, and consequently our desire to place the Fordson within the reach of all.

"There is no change in the present Ford car and truck prices which are already at the lowest possible figure, and now with rock bottom reached on the tractor price a further reduction in price on either the car, truck or tractor is out of the question; in fact the big price cuts have been made in anticipation of continuous maximum production, and increases may be necessary before long if a large volume of new business is not obtained. Therefore present prices of Ford products cannot be guaranteed against possible increases."

Ask for the book "The Fordson at Work," which will be supplied free of cost. Let us demonstrate the value of the Fordson on your farm, in your factory, lumber yard, coal yard, or in any general hauling or power work you have to do and let us have your order for a Fordson.

The telephone switchboard was put out of business for a few hours.

OREGON MIST.

Income Tax Facts.

Births, deaths and marriages during the year 1920 affect materially income tax returns for that year.

Millions of babies were added to family circles, each of whom brings an exemption of \$200 in the parent's income tax return.

Widows and widowers who lost their husbands or wives during the year are especially affected. They are single for the purposes of the income tax law and are granted only an exemption of \$1,000, unless the head of a family.

Persons who were divorced or separated by mutual agreement during the year also must consider themselves as single persons.

The status of the taxpayer on December 31, 1920, determines amount of exemptions. If on that day the taxpayer was married and living with wife or husband, claim may be made for the \$2000 exemption. If single, or married and not living with wife or husband on December 31, the exemption is only \$1000.

Persons who reached majority during the year and whose earnings for that period amounted to \$1000 or more, or \$2000 or more, according to their marital status, must file a return and pay a tax on their net income in excess of those amounts.

To avoid penalty, the return must be in the hands of the collector of internal revenue on or before midnight of March 15, 1921.

Catholic Services Sunday.

Father Boniface informs us that there will be services at the Scio Catholic church next Sunday, February 13, at 11 a. m.
