Oregon Made Home Knitting Yarns.
A great surprise for the home knitters of Oregon, but still a fact. Furthermore, this yarn is absolutely virgin wool yarn; the wool was grown in Linn county, sold by Mr. Senders to the Oregon Worsted Company (mills located at Sellwood), made into worsted yarn by Roy T. Bishop, son of C. P. Bishop, proprietor of the Woolen Mill Store of Salem. Oregon knitters try this yarn out. All colors. 45c per ball of 2 ozs. Samples sent on application. Address C. P. Bishop, Box 75, Salem, Oregon.

FORDSON TRACTOR

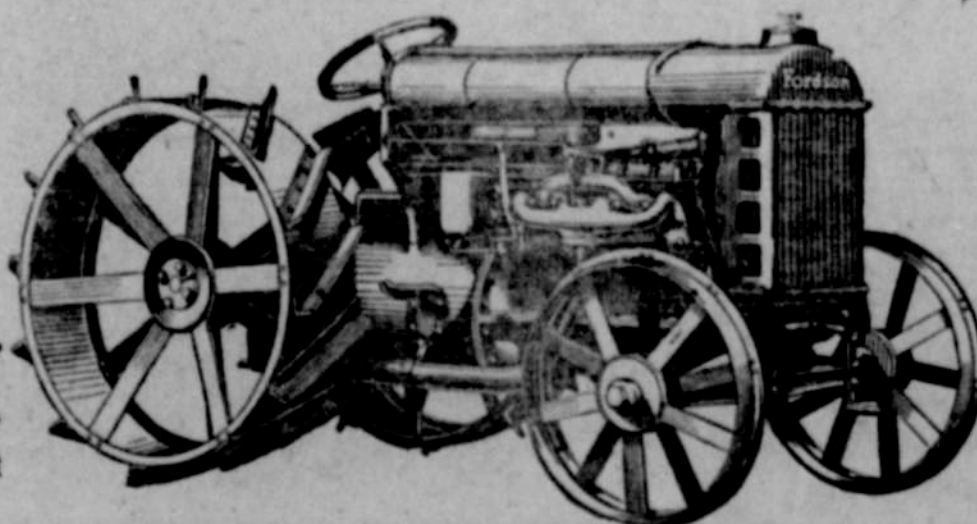

Do More in a Day—Do It Better

One man with a Fordson Tractor can do more work easier and with less expense than two men can do with horses. This means that you with a Fordson Tractor can actually raise more crops, with less work and less expense. And this means that your profits will be greater with fewer hours of work.

Besides the Fordson will handle every power job on the farm. It is light, alert, flexible in control and operation, yet it has power and endurance to spare.

You should see the Fordson at work to appreciate its wonderful capabilities. We will gladly give you the proofs if you will ask for them, either by a personal call, phone or post-card.
