Saturday Big Day

Many Scio People Trade With Albany Stores—Why?

A Scioan who happened to be in Albany Saturday says he stood for something like 40 minutes on one of the busy corners and counted 16 good citizens of Scio going into or coming out of one of the big stores. We wonder why they go to Albany to buy the same things that are for sale in Scio, why they travel forty miles and pay as much if not more for every day commodities that can be bought at home.

Is it because these people like to travel, or because they do not know the home merchant can do better by them if they will give him the opportunity to serve them. We believe it is both. We also believe one reason for shopping elsewhere is because of the advertised price of an article they may be needing—they know before they go what it will cost them. Thus Scio loses and another town gains.

Bargain Day was inaugurated for one purpose, to draw all citizens in this territory to Scio, to prove to them that Scio's merchants can "fill the bill" for less money, and if you give them your trade they will enlarge until it will not be necessary to go out of town for anything, from a needle to a locomotive.

The following are the merchants who are deserving of your trade:

- Fred Bilyeu, Ford Garage.
- R. M. Cain, Hardware and Furniture.
- Bert Hollis, Confectionery.
- N. I. Morrison, Hardware and Farm Implements.
- Bartu Motor Co., Automobiles & Accessories.
- Scio Garage, Auto Accessories & Repairing.
- Kelly's Drug Store, Drugs and School Books.
- J. F. Wesely, Groceries, etc.
- Shelton & Co., Meats of all kinds.
- J. D. Densmore, flour and feed.
- Hibler & Gill, dry goods and groceries.
- Scio Meat Market.
- Scio Produce Co.

EACH MONTH HAS ITS JEWEL

Almost Universal Belief in Marvelous Properties Attached to the Various Precious Stones.

The ancients attributed marvelous properties to many of the precious stones. There is a significance attached to the various stones in making birthday, engagement and wedding presents. The different months and the stones sacred to them, with their respective meanings, follow:

- January, garnet; constancy and fidelity in every engagement.
- February, amethyst; preventive against violent passions.
- March, bloodstone; courage, wisdom and firmness in affection.
- April, sapphire; free from enchantment, denotes repentance.
- May, emerald; discovers false friends and insures true love.
- June, agate; insures long life, health and prosperity.
- July, ruby; discovers poison, corrects evils resulting from mistaken friendship.
- August, sardonyx; insures conjugal felicity.
- September, chrysolite; free from evil passions and sadness of the mind.
- October, opal; denotes hope, sharpens the sight and faith of the possessor.
- November, topaz; fidelity and friendship, prevents bad dreams.
- December, turquoise; prosperity in love.

To Be Exact.

"So you called on the famous novelist?"
 "Yes," said Mrs. Gawker.
 "Did you find him in a brown study?"
 "Why, no. I think the room was finished in blue."—Birmingham Age-Herald.
