Coupe \$595
F. O. B. Detroit
With Starter and Demountable Rims

THE Ford car is so simple in construction, so dependable in its action, so easy to operate and handle that almost anybody and everybody can safely drive it.

The Ford Coupe, permanently enclosed with sliding glass windows, is cozy, and roomy—modest and refined—a car that you, your wife or daughter will be proud to own and drive.

And of course it has all the Ford economies of operation and maintenance.

Call and look over the Ford Coupe. Reasonably prompt delivery can be made if you order at once.

Treatment at Nerve Centers

A normal nerve supply to any organ or part of the body generates normal function and maintains health. If we understand why and how nerves are interfered with we would then understand and appreciate methods of spinal treatment. Spinal treatment removes interference with nerves and this restores normal function, which promotes health in either acute or chronic cases.

Have Your Eyes Examined

Many a blind person would now be enjoying the blessings of sight if proper measures had been taken early enough. A painstaking, scientific examination of your eyes, such as I make, might be a revelation to you.
