Treatment at Nerve Centers

A normal nerve supply to any organ or part of the body generates normal function and maintains health. If we understand why and how nerves are interfered with we would then understand and appreciate methods of spinal treatment. Spinal treatment removes interference with nerves and this restores normal function, which promotes health in either acute or chronic cases.

RIVERSIDE LOCALS

December 6

Alfred Schienman had the misfortune to cut his foot very badly with an axe Thursday afternoon. During the hard wind storm he feared his wood shed would blow over and had started to cut a pole to brace it. The pole was out of order and as his foot was bleeding badly, W. R. Kelly took him to Scio to a doctor. He had recently broken the same leg and was just able to walk without a crutch.

Walt Morris, wife and daughter, of Myrtle Creek, Douglas County, have been visiting at J. H. Kelly's and while here purchased Clifford Kelly's farm which is just south of Gilkey Station. Mr. Morris will not move here until spring.

Our thimble club met Thursday at the home of Mrs. Elmer Whetstone. The house was decorated very prettily for the occasion. It being election day the following officers were chosen: President, Emma Previer; Vice President, Edna Gilkey; Secretary, Wynona Kelly; Sick Committee, Mary Holt, Hattie Kelly and Edna Gilkey. There were fifteen members present. Mrs. Arnold Sommer, of Ashland, and Mrs. S. P. Crenshaw were visitors. Mrs. Emma Previer and Lizzie Gilkey won the contest prizes. A very enjoyable afternoon was spent by all.

Mrs. Lucy Anderson, who has been visiting Mrs. J. H. Kelly, has gone to Springfield to visit Mrs. Janie Baber, another daughter.

Mae Higginbotham and two daughters, of Silverton, spent two days last week at the parental home of W. E. Serfling.
