The Annual Home Service Campaign for the

Salvation Army

For General Relief Work is on in Your City for This Week Only

Business Men, Make Your Offering a Good One!

The work of the Salvation Army has for years been a transcendent power for the general good and the upbuilding of our country. It has been a mighty force in its amazing power—to foster and inculcate good citizenship and in its simple remedies for misery and despair—realizing continually that no

Community or Individual Is Immune

from disaster or misfortune. Besides this, in our Portland home, which has been established for years, hundreds of girls have found cause to bless the sincere and Godly people who daily practice the teachings of the Master, who said: "He that is without sin, let him cast the first stone."

While the business men stand back of us with their help, every resident kindly have a dollar ready when our representative calls on you during the remainder of the campaign.

Looking forward for your hearty cooperation that the good work may go on.

Ensign THOS. BLOSS,
State Campaign Director

MRS. R. BISON, Representative.

MONEY!

Contrary to our usual custom, and which is caused by a need for a large amount of "simoleums," we are taking this means of asking our readers who know themselves to be in arrears to come to our rescue and help us out. To do this may entail a little hardship on you, but we are going to help you help us. We will lose in the transaction, but the need is now. We will for the next six weeks, or until Sept. 1, sell to all old and new subscribers **The Scio Tribune**, if paid one year advance,

\$1.25

This gives all ample time to take advantage of this liberal offer. We plan to make the TRIBUNE better as we grow older with you. We hope our friends will heed this appeal and give us the aid needed. The recent change in the junior partner retiring makes this request necessary. Do it today, don't delay.
