If you see black clouds rolling up in the east and hear a distant rumbling be unperturbed, 'tis but the flying debris and the feverish rumble incident to the filling of the Combs' Bros., silos, which work is proceeding nicely, albeit and arduous task as will be vouched for by Claude Richards, Kal Chronic, J. H. Wortman and many others of our stalwart neighbors.

Our new graded road is getting quite soft. There was not enough gravel put on the top, so what was placed there will soon be buried in the mud, and this will be h—ll.

The bright sun is encouraging, for it will soon start the newly sown grain and grass, and furnish outside feed for our stock.

How Many Will Give One Dollar?

WALTER M. PIERCE is making a gallant fight, almost single-handed, to be elected Governor of Oregon. He has no funds to pay the expenses of his campaign.

The issue he makes is Reduced Taxes, and he promises if elected, to use every power vested in the Governor to lessen the tax on that now rests so heavily upon the backs of the people

No powerful corporations are behind Pierce; nobody but the plain people. His election depends upon them alone. Don't you feel it your duty to help him in his worthy fight by contributing One Dollar to his expenses? It isn't much for any one to give, but there are many plain people, and if you help a little the battle will be won. It will make a clean campaign and elect a clean man.

Please send YOUR dollar today, together with your name and address, and the contribution will be acknowledged by return mail.
