#### High School Notes

University High school, of Eugene, won the state basket ball championship. The University team should be complimented on their fine showing, because they are all young fellows, and are a smaller team than the average. They won three games, beating The Dalles 35 to 33, Salem 37 to 23, and Astoria 28 to 25. The Salem team which was considered a sure champion was decisively beaten by the smaller University team.

Zelma Piatt, a dignified Senior, returned to school Monday after two days absence.

Principal H. E. Tobie spent the week-end in Salem where he saw the finals of the state basketball tournament.

The Brownsville team is debating champion of this district. It will soon debate at Eugene for state championship.

The Senior class has chosen its class colors, motto, and flower. The motto is, "The higher we rise, the broader the view." The class flower is a pink carnation, and the class colors are blue and silver.

As a result of the state tournament, the probable all-star selections for a team will be: Forwards, Omar, The Dalles; Ridings, University High; Center, Okerberg, Salem; Guards, Westergren, Astoria; Powers, University High.

School is two-thirds gone. We don't know whether to be glad or sorry.
