Oregon Made Home Knitting Yarns

A great surprise for the home knitters of Oregon, but still a fact. Furthermore, this yarn is absolutely virgin wool yarn; the wool was grown in Linn county, sold by Mr. Senders to the Oregon Worsted Company (mills located at Sellwood), made into worsted yarn by Roy T. Bishop, son of C. P. Bishop, proprietor of the Woolen Mill Store of Salem. Oregon knitters try this yarn out. All colors. 45c per ball of 2 ozs. Samples sent on application. Address C. P. Bishop, Box 75, Salem, Oregon.

A CHIP OFF THE OLD BLOCK

"What you need is a car," said Salesman McGurk, "to take a ride when you've finished your work. After dinner on Sunday you can go for a spin across valleys and hills to a roadside inn." I believed what he said and bought a machine, but then something happened which I hadn't foreseen; for my son took the car across valleys and hills, while I stayed at home and settled the bills.
