Oregon Made Home Knitting Yarns
A great surprise for the home knitters of Oregon, but still a fact. Furthermore, this yarn is absolutely virgin wool yarn; the wool was grown in Linn county, sold by Mr. Senders to the Oregon Worsted Company (mills located at Sellwood), made into worsted yarn by Roy T. Bishop, son of C. P. Bishop, proprietor of the Woolen Mill Store of Salem. Oregon knitters try this yarn out. All colors. 45c per ball of 2 ozs. Samples sent on application. Address C. P. Bishop, Box 75, Salem, Oregon.
