Scio Asked to Participate

The Scio high school has been asked to send a representative to the public speaking contest which will be one of the features of the educational exposition February 22 and 23. The O. A. C. Chamber of Commerce is conducting this contest. Chambers of commerce in all parts of the state are planning to arrange special booths to show the community industry. Arrangements to entertain 400 high school students at the exposition have been made by the housing committee.

An educational guidance conference for high school representatives will be held. Thomas A. Clark, dean of men at the University of Illinois, and Dr. Glendine Snow of Michigan Normal, will be the principal speakers. Each high school in the state has been invited to send five delegates and one faculty advisor to the exposition and educational conference.

Each Oregon town entering a booth in the exposition will be allowed one of the smaller rooms in the commerce building or one-half of one of the larger rooms for the display. Many chambers of commerce have signified their intention of sending displays. Milk-ing contests and guessing contests are among the special features planned by the school of agriculture. A milking contest between A. B. Cordley, dean of agriculture, and department heads is creating much interest.
