

MONDAY NIGHT, MARCH 3d

Student Body Makes Announcement

Now that warmer weather is here, the high school students are going to start giving dances in the gymnasium again. The first dance will be given March 1. We are fortunate in obtaining "Polly and Her Pals" to furnish the music for this dance. We trust the people of this community will support these dances, as we are anxious to decrease our gym debt materially this year.

The new gymnasium committee is putting forth every effort to make these dances a success. Come and enjoy good music, a good floor, good eats and a good time at our Gym Dance, March 1. Thanks, business men of Scio, for your generosity in donating this space to us to tell of our ambition.

Is Community Club meeting at Lacombe and an interesting and profitable session will be the result. You owe yourself an evening of pleasure and knowledge, so go if sickness does not prevent.

The events below are real bargains, and if you make your purchases regularly in Scio you will save enough to buy all the gasoline to attend all the community meetings in the county, and then some for other trips. Remember the growth of the community helps you most.

TO SAVE my patrons as much money as I can, I am installing as fast as possible new labor saving machinery for all heavy work. My latest addition is a new trip-hammer, which will arrive about the middle of March. Our ambition is to keep ahead of the procession in improvements and in saving money for my patrons. No job too big nor too small for us, so come in and see us.
