

THREE MONTHS AGO TODAY

The merchants whose ads appear on this page began quoting real genuine bargains, and they are gratified with the results. Many new friends have been made and older ones drawn closer to us. We have endeavored to make this page interesting and beneficial, both as to reading matter and items quoted, and hope the readers have enjoyed our efforts. However, more societies and others should have used this space to disseminate news, and we hope they will from now on. We are here to help do the greatest good to the community.

☐ A meeting of the business men will be held at the city hall tonight promptly at 7:45 o'clock. Everyone please come.

☐ Remember prices are Cash or Produce.
