A contract has been signed by G. F. Brazier of Silverton and the Columbia Feature Syndicate which will put "Bobbie", Mr. Brazier's famous Collie dog, in the movies. "Bobbie" became lost from his master while they were touring in Indiana last

summer and about three months later made his appearance at the home of his master in Silverton. In February he was given a medal with appropriate ceremonies by the Oregon Humane society. He will star in an Oregon-made motion picture.
