Oregon Made Home Knitting Yarns

A great surprise for the home knitters of Oregon, but still a fact. Furthermore, this yarn is absolutely virgin wool yarn; the wool was grown in Linn county, sold by Mr. Senders to the Oregon Worsted Company (mills located at Sellwood), made into worsted yarn by Roy T. Bishop, son of C. P. Bishop, proprietor of the Woolen Mill Store of Salem. Oregon knitters try this yarn out. All colors. 45c per ball of 2 ozs. Samples sent on application. Address C. P. Bishop, Box 75, Salem, Oregon.

Hall's Catarrh Medicine

Those who are in a "run-down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Combined Treatment, both local and internal, and has been successful in the treatment of Catarrh for over forty years. Sold by all druggists. F. J. SANTIAM FARM NEWS

May 20

Our dry weather is somewhat discouraging as everything shows it needs rain. Crops are failing and gardens are on the decline.

David Horsburgh finished his farming and planting his potatoes Monday and is now arranging his cucumber patch for planting.

The Lebanon City Council called on George Griffin to come up there and move his barn, as it was a disgrace to the city, so he went up Wednesday and proceeded to tear it down as he did not wish the city to lose any sleep over it. It had only stood there about 20 years.

Uncle George Sutherland called on William Lee and bought a fine Holstein bull, as he had dehorned and killed his. He also called on the Old Man for a social chat on his way home.

Billy Kalina and Mr. Kukac's bought a fine band of sheep of Herman Preever Friday.

The Pie Eater received word from Mrs. Lillian Fuller, former proprietress of the Scio hotel, who is now in Ashland, in which she said that they had traded the Ashland hotel and will soon move back to Shedd where they will open a hotel. She says Ashland is all right for rich folks, but poor ones must get out.

Mrs. S. W. Gaines called on Mrs. Fannie Kalina Sunday for a nice visit. She and Ed are our best friends and ever ready to lend a helping hand which the old people appreciate very much.

G. A. Griffin and Billy Richardson as partners on fine sheep, have been shearing. Weather and Buck reserving the older ones till June.

Our election went off nicely. All the candidates who were winners are highly elated, while those who got left feel like a lost dog at a dance, and now wish they had waited till their friends called them out.

PIE EATER.
