## Who Is the Most Popular Young Lady in this Community?

Have you a young lady in mind, who is 12 years and more of age, that you think is the most popular, then go to any place of business in Scio and nominate her by buying as many votes as you have pennies to spare; for each vote cast a penny must accompany it. The winner will be queen of the Community Festival and Bazaar next week. Make it snappy, put your girl in the honor seat. No married woman allowed to enter the race. Get busy fathers, mothers, relatives and sweethearts. Ask the merchant for particulars, but hurry. Only a few days to put your favorite over.

I nominate  
Miss .....  
as the most popular young lady in this community.  
Cut this out, write in name and with a penny drop in ballot box
