## Railroads Boosting Oregon

The railroads are doing their part to bring settlers into Oregon. The Southern Pacific, the Northern Pacific, the Great Northern and the Burlington railroads are spending huge sums of money to tell people of the opportunities in Oregon, and thousands will come to our state this summer, many of whom will locate. Let's help the railroads by putting our city homes and country homes in order—clean up and clear out all debris. You will be glad you did when you see the improvement.

The State Chamber of Commerce, Portland Chamber of Commerce and many other civic bodies are co-operating in the settlement program. And the individual in rural communities must do his share.

The menu cards of some of the above railroads are works of art and feature Oregon products almost exclusively. The railroads are sure boosting Oregon.

## "Popularity" Prizes Presented

During the stay of the medicine show last week, two "popular" contests were staged—one for the popular baby, which closed Friday night, and the other a popular lady, which closed Saturday night. Patricia Holland, daughter of Mr. and Mrs. Glenn Holland, won the pretty gold child's set, and Miss Aileen Mumper won the silver chocolate set. Each recipient is very thankful to their many friends for this high compliment. Miss Mumper says she will have her set engraved and always keep it to remember her many loyal friends in Scio.

## Stoller Buys Wesely Truck

A deal was made Monday whereby Sam Stoller became the owner of the John Wesely milk truck, and on Tuesday entered into a contract with the Scio Condensery to do its hauling to and from the West Scio depot, and is now on the job and also taking care of the express.

Mr. Wesely has his hands full in hauling the lumber from the Thomas Creek Lumber Co.'s mill to West Scio, and for the present will devote his time to this and his picture show.

## Buys Business Block

Announcement has just been made that R. M. Cain has purchased the business block, in which he has been located for several years, from the Wesely estate. The consideration is not given. Mr. Cain no doubt sensed the fact that now is a good time to buy property in Scio.

Beware of listing your property exclusively. List with me—not exclusive. Thomas Large, resident agent.

## Tischner's Surprised

Saturday was just such a day to cause one to want to do something, go somewhere, or do any old thing. With this feeling uppermost in their minds, about 25 of the neighbors of Mr. and Mrs. S. L. Tischner in the Larwood district thought they would be the right ones to vent this good feeling on, and accordingly invited themselves over. They pounced in upon the unsuspecting couple and found them ready to—we were going to say defend—welcome the "enemy" into their home. The surprise was complete, but this did not prevent a most enjoyable evening.

The "intruders" brought along well filled baskets, and at a late hour the inner man was amply satisfied. The world seems brighter when good fellows meet like this.

## Program Enjoyed

Miss Dorris Leever, teacher of District No. 1, and Prof. Gibbons, teacher of District No. 2, prepared the program for the Roaring River Community Club, which met at the Gaines school house Monday night, and those who heard it say it was the best ever, one of the numbers most enjoyed being the violin solos by Mrs. A. L. Riddle—in fact, President Stringer said each number was so good there really was no best. The attendance was large and interest fine. The next meeting is to be at Providence school house on Monday, April 14, at 8 p. m.

## Albert Isaak Injured

Albert Isaak suffered a very painful injury to his right leg Tuesday morning while operating a saw at his father's saw mill south-east of Scio. His clothing caught on the set screw and he was wound around the shaft, tearing his clothing off and a hole about four inches square was cut in his leg. All the muscles were torn out.

He was brought to town to Dr. Prill who dressed his wounds. He will be unable to walk on the injured foot for some time.

## Visitors May Come

Frank Barto, sr., was one of the guests from Scio who assisted the Czecho-Slovak Chamber of Commerce of Portland entertain a committee of their countrymen from Chicago in Portland over the weekend. According to the Portland papers, they were to visit Scio, but this failed to materialize up to the time of going to press. They may come our way Friday or Saturday, on their way back from Malin.

## A Two-Day Vacation

Your editor and good wife will take a two-day vacation this Friday and Saturday and attend the spring meeting of the State Editorial Association at Eugene. We always learn something from meeting with others in the same business. And we want to grow bigger and better.

While away, Mr. or Mrs. D. C. Thoms will keep shop for us, so drop in and chat with them.

## Jersey Cattle Club to Meet

A meeting of the Linn County Jersey Cattle Club is called for Saturday, March 14, 1925, at the city hall in Albany, at 1:30 p. m.

All Jersey breeders are urged to attend and get acquainted and discuss our problems.

Mrs. S. B. Holt, Sec.

## DO YOU REMEMBER

When there was but two mail routes out of Scio and Don McKnight and Frank Cary carried the mail on horseback?

## Wife of Governor Passes

Laura M. Pierce, wife of Gov. W. M. Pierce, passed away Sunday a. m. at her home in Salem, from the effects of cancer. She was operated upon in 1919, since which time she had been a constant sufferer, the malady which caused her death soon developing.

Laura M. Rudlo was born in what is now Wheeler county, near Monument, May 30, 1871, her father coming to Oregon in 1849 and her mother in 1852, and was the youngest of nine children. She was married to Walter M. Pierce in September, 1893, and moved to Pendleton, where her husband was county clerk of Umatilla county. Five children were born to this union, one son and four daughters, all of whom with the husband survive.

Mrs. Pierce cared little for society, believing she contributed most when she devoted her energy to the care of her family. She was always solicitous for them that they should be worth while men and women, and she was successful. She was a member of the Methodist church, but the funeral was held at the Presbyterian church in Salem on Tuesday. Rev. Ward Willis Long, pastor of the church, officiating, burial taking place in Salem.

Our citizens mourn with Governor Pierce in the death of his wife. He will miss her comforting smile and sympathizing words, although her influence will remain with him.

## \$345.49 Paid Out

The city council met in regular session last Thursday night, and all members were present except Councilman John Wesely.

The minutes of the last meeting were read and approved.

A bad freeze and a little improvement has taken a lot of money to handle, and since the middle of December, nearly \$1000 has been expended by the city in these two matters.

The street and public property committee reported the completion of the drainage on S. Main street, and that the drainage on N. Main street was nearly completed, and would be as soon it could get cement for the two intakes. The cost of these two improvements is approximately \$200. Improvements on the streets are also being made.

The water committee reported progress on repairs on the pump and mains.

Fire Chief Hagey was present and suggested the purchase of a coupler for the old fire hose, stating that it would be needed if a fire should occur and both hose be needed as the pressure of the water might cause the old hose to burst. No action was taken.

Another burning of bonds was a pleasant event in the council, \$4000 worth going up in smoke. This is a part of the \$20,000 that were due in October next, by which time the city's total indebtedness will be just the \$20,000 which begin coming due in 1931.

The city marshal was instructed to notify all parties who give dances for gain or otherwise, that same must cease at 12 o'clock on Saturday nights. This is the state law and the city ordinance.

If found it can be done, and the cost is not too great, the old city jail will be repaired. This is the wish of the council. Probably motorists who do not voluntarily observe parking rules, cutting corners, turning in the middle of the street, and speeding, as well as all others who break the law within the city limits, will then find it expedient to observe the laws. We don't break the laws when we go elsewhere, the council reasons, so why allow it to be done here.

The city recorder reported the receipt of \$11 in show licenses.

The following bills were audited and ordered paid:

Thos. Large, labor and trip to Albany	\$ 5.50
Joe Shindler, labor	36.50

## Obituary of Rose Martin

Mrs. Rose Martin, who died Saturday, March 1, was born Aug. 21, 1861, in Walla, Hungary, and came to America at the age of 19, locating at Zell, S. D. In 1882 she was married to Christian Schneider, who passed away about two years ago.

Five children were born to this union, four of whom are still living, as follows: Mrs. Mary Mehl and Mrs. P. J. Schmitt of Breckenridge, Minn.; Mrs. J. H. Ligre of Denver, Colo., and Martin Schneider of Scio (at whose home the mother died).

The deceased was a kind and loving mother, a true neighbor and friend and will be sorely missed by those who knew her best. With her husband and family she came to this community over 31 years ago, and had continued to reside here ever since. She was buried Wednesday, March 4, in the Jordan cemetery, Rev. E. Goerlick officiating, assisted by Rev. Wm. Kramer of Mt. Angel and Rev. F. Bucher of Grand Ronde.

## John Mack Passes

John Mack passed away Saturday, March 6, 1925, at his home near the North Santiam bridge after an illness of about two weeks of stomach trouble. He was aged 55 years, and is survived by a wife and eight children.

Deceased was born and grew to manhood on the farm belonging to his father, Dutch Mack, east of Scio. He was a cousin of C. C. and Fred T. Bilyeu of Scio.

Funeral services and burial were at Stayton Monday afternoon.

## Cains Drive to Oswego

R. M. Cain and family drove to Oswego Sunday for Mrs. Cain's sister, Miss Mary Wesely. Miss Wesely has recently undergone an operation and will spend some time at her sister's home while convalescing.

They saw a big new car which had turned completely up side down in the ditch by the roadside. As far as was learned no one was hurt.

Misses O'Reta Balschweid and Agnes Soucek made a business trip to Stayton Friday.
