THURSDAY, March 12, 1925

What we need is a permanent wave for the U. S. flag on merchant vessels.

Report comes from Albany that a county fair is assured for 1925, as the state aid and county aid, with more stock sold and more to be sold in sight, warrants the information. A good fair, one representative of the county's resources, is a good investment at all times, and we hope it will be made so attractive that visitors from far and near will find it advantageous to attend. Since it has been deemed advisable to hold the fair, let everybody get behind it and make it a grand success. If it fails again, Linn county citizens and farms will be sorely hurt.

Notice to Dog Owners

You are hereby notified to be prepared to pay to the Deputy Assessor your dog tax at the time he makes your assessment. The license is \$2.00 for a female dog not spayed and \$1.00 for a male or spayed female dog. The Deputy Assessor will receipt you for your money and will then forward it to the County Clerk who will furnish you with a license and tag. If you prefer you may send your money direct to the County Clerk and receive your license and tag without waiting for the Deputy Assessor to make the collection.
