THE SCIO SPHINX

Number 12

General School News

The Junior-Senior English class has just completed the study of Carlyle's Essay on Burns. Written reports on this were due Friday, April 24. The next work to be taken up by this class will be a study of the classic, "A Midsummer Night's Dream," by William Shakespeare.

The Sophomore English class is reviewing exercises in spelling and punctuation. They will soon begin work on Dickens' "Tale of Two Cities."

The Freshmen have just completed their Ward's "Sentence and Theme," and will resume the study of American Literature.

The class in Spanish II is bravely struggling with the play (comedy in nature), which they have been studying for some time. Judging from general appearance of countenance, one might think they were studying tragedy. The American History text book has just been completed by that class. The next six weeks will be taken up in special reports and review.

Should anyone see a High School student trying to "rule the roost" with an iron hand kindly consider the fact that the Medieval and Modern History class have just finished a study of the achievements of Napoleon Bonaparte. At present they are studying the Industrial Revolution, Socialism and the Science of Political Economy.

The General Science and Biology classes seem to be very anxious for another field trip. We wonder why? Some members of the Biology class seem to be particularly fond of "Bug Hunting" (?)

The girls in advanced Domestic Art have completed dresses. Linen, voile and gingham were the popu-

lar materials. They are now working on dresses of striped silk and wool challies, and have done some hand work this six weeks.

The members of the various mathematics classes are bravely and energetically working toward the goal of success in passing exams.

Baseball Notes

With the baseball season here, most of the high school boys are limbering up their arms, as well as mitts, and trying to knock the ball out of the country.

The first conference game, which was played with Jefferson, is over, and although we were defeated, we have hopes of making a good showing against other teams.

The lineup against Jefferson was as follows:

- Johnny Wesely, pitcher.
Buell Miller, short stop.
Max Wesely, first base.
Lyle T. Shelton, second base.
Wilbur Johnston, third base.
Ernest Zink, left field.
Walter Chromy, center field.
Millard Shelton, right field.
Arnold Zysset, catcher.

With these players and Melville Bruce and Walter Ross as subs, we should win several games before the season is over.

Comments We Sometimes Hear

- It is raining.
Galloping sword-fish.
Do you understand?
Aw, gee whiz!
You don't need to take this course if you don't want to!
Mill City!(!?)
O. A. C.
Aw, C'mon!
Darn, I, etc.

What Would Happen If

Buell would cultivate a "shiek hair cut"?

Bobby and Mary would cease to be late?

Ella and Mary would cease to comb their hair twenty times a day?

Johnnie would forget the shiek stare?

Mae would cease to care for Gus' company?

Ida and Johnnie wouldn't "spat" for a week?

Walter studied a lesson?

Bobby lost interest in Mill City?

It didn't rain every time a baseball game was scheduled?

Mae refused to play for assembly?

Prof. couldn't think of punishment for people who persisted in being late?

We'll bite—What would happen?

Do You Know That

None of our honored Seniors are dead? (They just act that way.)

"Shiek" wears a red necktie?

Bobby had a birthday?

Bologna goes to the library the 7th period?

Mary went to Camas?

Anna has her hair bobbed?

Johnnie still wears his "shiek" hair cut?

McKenzie is still with us?

The school building is here yet?

Scio lost to Jefferson 14-4?

Thirteen is an unlucky number?

It takes a lot of brains to write this?

Have You Seen

Bobby's spring dance?

Mary's new curl?

Any baseball games?

Ernie's baseball mitt?

Anna's bobbed hair?

Bon's newest shiek?

Any private notes?

"Shiek's" red tie?

Estelle's "only man"?

We Wonder Why

Mary is so fond of SHS alumni?

Ida never associates with mere students of Scio HI?

Bobby's preference for college suddenly changed from U of O to O A C?

The boys don't win some baseball games?

Senior Class Notes

The Senior Class seems to show a liking for mountains, as we have two Senior girls (one dark and one light haired girl) deeply interested in Mill City.

We are through studying the classic, "Carlyle's Essay on Burns," and are going to study Shakespeare's "Midsummer Night's Dream."

Our playbooks have been received and we are going to begin practicing our class play.

Sophomore Class Notes

In a Sophomore meeting last week it was decided that the Sophs would give a play. A committee was appointed to look for a play.

The Sophomores have decided to

help the small Junior Class give a banquet for the Seniors. A committee of the three Junior members and two Sophs was appointed to plan the entertainment.

Only three Sophomore boys, as yet, have gone out for baseball practice. We are quite sure that our class will be represented on the team by at least some of these members. We are all hoping that more of our boys will decide to be baseball players.

Freshmen Class Notes

Zelda Zink has quit school and moved to Eastern Oregon.

McKenzie Calaway has returned to school, after several days absence due to sickness.

The members of our class who are out for baseball are Walter Ross, Melville Bruce, Wilbur Johnston and Lyle T. Shelton.

We are very proud of Lyle and Melville, as they both made a "run" in the first game of the season.

Evidently McKenzie believes in being in style, because he is wearing a "cross-word puzzle" sweater.

Our class can boast of possessing the "Scio Hi School Shiek."

Has 57th Birthday

Mrs. W. F. Pepper gave a dinner at her home last Saturday evening in honor of her husband's birthday. Mrs. Clarence Pepper made the birthday cake and decorated it with 57 candles.

Those present were Dwight Peterson, wife and two children, Joyce and Margory, Henry Shelton, Richard and Archie Pepper, Mr. and Mrs. Clarence Pepper, Mr. and Mrs. W. F. Pepper.

Little Cleo Legner was one year old Monday, and the proud parents celebrated the day with appropriate ceremonies. Otis Compton, an uncle, came over from Salem to help celebrate the big event.

The home of Mr. and Mrs. Marion Tindall north-west of town, was the scene of a family reunion and birthday dinner for their daughter, Mrs. Mabel Bowman last Sunday. A feature of the dinner was a large birthday cake, the gift of her sister, Mrs. Venus Poindexter.

Those present to enjoy the occasion were Errol Sims and family of Mt. Angel, Dale Poindexter and family of Albany, Mrs. Mae Shanks and daughter of Leneve, Fred Bowman and family of Neskowin, Miss Pearl Tindall and Mr. and Mrs. Marion Tindall.

Mr. and Mrs. Bowman and daughter left for their home early in the afternoon.

Dance Nets \$95

The dance given Saturday night at the Z C B J hall for the benefit of the Scio baseball club drew a big crowd of devotees and netted the club about \$95, and was one of the most successful dances ever given here.

It was hoped a game could be arranged for next Sunday with Shedd to be played here, but at the time of going to press nothing definite had been learned. The local diamond is in fine shape and the team is "a rarin' to go."
