

**GILKEY STATION**

Oct. 21

Mrs. S. B. Holt was hostess last week to the Thursday Thimble club. About 25 members were present. Those attending from a distance were Mrs. Hannah Smith and daughter Dorris of Toledo, Mrs. Nettie Irwin, Mrs. Hazel Rupert, Miss Georgia Sage and Mrs. Edna Gilkey of Albany. Much interest was taken in the California souvenirs which Mrs. Holt gathered while on her

trip, the persimmons suffering in comparison with Oregon grown. Mr. and Mrs. W. A. Gilkey, Mr. and Mrs. J. J. Sommer and Orville Gilkey attended the McCart sale of Holstein cattle near Harrisburg Monday.

Wm. Klamer received a box of grapes one day last week from relatives in California.

The local Farmers Union met Saturday night at the home of Mr. and Mrs. J. H. Kelly. There were several visiting members from a distance, among them the county organizer from Lane county. Refreshments were served after the busi-

ness session. The new homes of Peter Peterson and Frank Prokop are nearing completion.

Mrs. T. M. Holt and Mrs. J. F. Sommer were in Jefferson Tuesday, visiting at the homes of Wallace Richardson and Mrs. J. A. Vaughn. Mrs. S. B. Holt and Mrs. J. G. Holt called on Mrs. Frank Cornett at Crabtree Monday.

Mrs. Howard Zimmerwalt and little son of Portland are visiting with Mr. and Mrs. Orville Gilkey. She will soon sail for Japan to join her husband, who is working for the S. P. Co. there. The ladies are cousins.

Henry Crabtree visited a few days here last week with relatives and old time friends. Henry grew to manhood in this vicinity, but has been in eastern Oregon for a good many years.

**News From Lyons.**

Oct. 21

Clyde McKae moved back to his farm after living in Lyons about a week.

Mr. Winters, the section foreman, contemplates selling his cows, hogs and horses and stocking his place with poultry.

Mr. Reading of Salem spent the week-end with Henry Mercer.

Mr. and Mrs. Carl Hoflick of Portland were over-Sunday visitors with the Vaughn families. Mrs. Helen Vaughn returned home with her daughter for an extended visit.

Mrs. Margaret Strayer is visiting with friends at Aumsville this week.

Mr. and Mrs. Pettijohn are taking care of the Lyons garage again. They were on a deal to sell it to Clyde McKae, but for some reason decided to hold the property for the present.

George Ray of the Jordan vicinity was a Lyons visitor Saturday.

Mrs. Hal Shelton and youngsters and George Ray were callers at Jack Johnston's Thursday afternoon.

H. F. Bodeker was in Albany on business Saturday.

Dwight Mercer and family spent Saturday in Salem.

Arthur Vaughn and family were Sunday visitors in Lyons.

J. H. Johnston and family visited at the M. S. Titus home in Stayton Sunday.

**"The Christian Home"**

Thoughtful people are worried over present conditions and are seeking a remedy. Many believe it is to be found in the home. The month of October has been set apart as the time to present the claims of the Christian home. That will be the subject of the sermon by Rev. J. Y. Stewart in the Christian church Sunday evening. Come.

**RADIO**

**Introducing the New  
FREED-EISEMANN  
and CROSLY**

The two best makes of Radios on the market.

Freed-Eisemann    Crosley  
\$75.00 to \$175.00    \$10.75 to \$65.00

One of the wonders of the Freed-Eisemann is its ability under favorable conditions to reach across oceans and continents. In the recent International Broadcast Tests, for instance, the cup winner heard Paris on a Freed-Eisemann, and Freed-Eisemann users heard Madrid, London, Aberdeen, Brussels, Glasgow, and other cities across the sea. Another thing about the Freed-Eisemann is its uncanny ability to eliminate all other stations but the one for which the listener has set his dials and its ability to get that station night after night in immediate response to the same setting of the dials.

That's why there are more Freed-Eisemann Radios used today than any other make. In the neutrodyne field alone, although competing with 13 other licensed manufacturers, Freed-Eisemann sold more than one-half the total of the other 13 licenses combined. Today, Freed-Eisemann is by far the largest manufacturer of neutrodyne sets in the world.

**The Crosley**

The Crosley is the greatest value on the market today for the money—has no equal. The only Radio on the market in which three tubes do the work of six. The sets combine tuned Radio frequency, regeneration and reflex amplification. There is no radiation. Distant stations come in clear and sharp on the loud speaker and can be logged. Coast to coast reception reported by hundreds of owners. The Crosley Pup, a double circuit set, priced at \$10.75; a wonderful performer at a low price. This compact, efficient receiver is an improvement of the famous Crosley one-tube set, with which Leonard Weeks of Minot, N. D., consistently heard the McMillan Polar Expedition while the rest of America listened in vain.

**\$1000 Prize Contest**

A grand prize of \$1000 is offered to purchasers of the Crosley Pup for the best report of results obtained over the period from Sept. 1, 1925, to March 1, 1926, in addition to monthly prizes, including real live pedigreed puppies. Full details and entry blanks in each set.
