Go Without Breakfast

While giving the primary department a talk on proper nourishment Bilyeu's Garage. and food value Monday morning the teacher learned that quite a number of the little tots are sent to school without breakfast. Just how or why a mother can send the little one to school on an empty stomach is beyond the understanding of the teacher, who has sent some of the children home to eat their break

Beaver Caught in Wire

While walking along Thomas creek the other day, west of town, Tony Faltus found a beaver entangled in some wire. He released it, and the little animal wasn't long in making its get-away. The trapping season doesn't open on beavers until December 1 and lasts through February. A license fee of \$2.00 is required.
