

The BULL'S EYE

Editor General Manager ROGERS

Another "Bull" Durham advertisement by Will Rogers, Zig-feld Folliis and screen star, and leading American humorist. More coming. Watch for them.

Who Won the War?

England and France, smoking ready made Cigarettes fought two and a half years and couldn't make the first down on Germany. Germany smoking old tow lines off Ships, Sawdust, Cabbage leaves, Horse Blankets, and second hand Gun Powder couldn't make the grade. But when Americans arrived with no equipment and no training, but plenty "Bull" Durham, and Nerve to burn it with, in Two weeks the French were cradling Legion of Honor Medals for a sack of "Bull." One sack was worth two quarts of Iron Crosses. Englishmen have even been known to sacrifice their afternoon tea for a puff of "Bull" Durham. Even after the war an American private, occupying the Ruhr, went into a German Restaurant and asked for a glass of Milk. He couldn't make the Waiter understand so he drew the Picture of a Cow, and a Milk Pail. The Waiter immediately returned with a Bucket of Beer and a Sack of "Bull" Durham Tobacco. That Private was a better Artist than he thought he was.

P. S.—There will be another piece here two weeks from now. Look for it.

Shadows and Sunshine

by O. Lawrence Hawthorne

Winter days are often dreary
But when springtime comes along
We're a heap more interested
In the robin's cheery song!
Mornin' always seems most welcome
When you spend a restless night.
After clouds 're black an' heavy,
That's the time the sun looks bright!

Seems to me there's somethin' like it
In the way life deals with men:
Prospects always seem the darkest
Just before things boom again.
And I'm thinkin' that the worries
An' hard-knocks he gets before.
Help a fellow prize his blessings
And good fortune all the more!

Buy across the Counter

WHEN you buy across the counter in the stores of this town, you are using good business judgment. Why? There are many reasons, but one of the most important is this:

You can buy what you want at the price you wish to pay! You are not obliged to accept "something just as good," because you are in a position to compare values and make your own selections.

When you trade at home you are helping your friends to help you! And there is no finer thing in life than neighborly co-operation. It always pays—in happiness and satisfaction as well as dollars and cents.
