

TRADE AT SCIO, ORE. AND SAVE MONEY

To the General Public:

The undersigned merchants of Scio are fully appreciative of the support given them by the general public of this community, and are anxious to extend their trading area so that more good people will come here to do their shopping.

It will be remembered that last year we gave away many valuable prizes, and we are going to repeat the same this year, with the exception that each store named below will handle its own prizes, which will be announced in detail next week. There will be three splendid prizes from each store entering into the holiday spirit, and each prize will be worth striving for.

The holiday spirit is one of good will, and as good will is the nucleus around which good friends and happiness is woven, and by which communities grow and prosper, we want you to enjoy with us the season's greeting and good cheer. You will always find that you can do better year in and year out by trading in Scio, the dairy city.
