The BULL'S EYE

Editor and General Manager
WILL ROGERS

Another "Bull" Durham advertisement by Will Rogers, Ziegfeld Folies and screen star, and leading American humorist. More coming. Watch for them.

I see where some of the Foreign Nations say they are going to FUND their debt to America, and all the Papers are all excited about it. But the BULL'S EYE is a Paper that never misleads our readers (either one of them). FUNDING a debt means about the same thing as having a fellow that has owed you for years, come to you and say "I am going to make arrangements to take up that loan I owe you just as soon as I can collect it from some fellows who owe me." So don't by any means get FUNDING mixed up with PAYING. The two have nothing in common. These Nations are just stalling until another War comes along and the first thing you know our debt will be four Wars behind. We have enough saved up to fight again, but they are using it now to enforce Prohibition.

Oh, yes, "BULL" DURHAM. I like to forget to mention that. Well, that is what the Foreign Nations are paying us in. "BULL" DURHAM without the DURHAM.

Will Rogers

P. S. There is going to be another piece in this paper soon. Look for it.

THURSDAY, Nov. 19, 1925

From far away Paris comes the news of the return of the old-fashioned bustle. Another plot by Dame Fashion to make poor dad again huckle.

Jay H. Upton of Bend has cast his hat in the political ring and will pit his strategy against I. L. Patterson for the republican nomination for governor in the May primaries. Jay is a young man, a good lawyer and business man, and thoroughly understands the needs of the people both from an economical and political standpoint. He makes no outstanding promises that he knows he nor anyone else can fulfill—he will use best efforts, he says, to reduce taxes and bring prosperity to the citizens of Oregon. He is a likable chap and his friends are legion.

Next Thursday is Thanksgiving. Has this community anything to be thankful for? We believe it has. We are and have been free from pestilence, famine and contagious diseases during the year; we have happy, contented and industrious people; we have orderly and well regulated homes, and business firms with whom it is safe and economical to trade; we have the sunshine and the rain that brings the harvest's golden grain, and the dairy cow whose productivity keeps us supplied with the paper and coin that saves us 8%. Yes, we have plenty to be thankful for, and we are.

Business is good. The farmer sells a load of wheat, and all the world grows fair and sweet; he hums a couple of cheerful tunes, and pays the grocer for his prunes. The grocer who had the blues, now buys his wife a pair of shoes. That ten the shoeman thinks God sent, and runs and says it on the rent. Next day the rent man hands the bill to Dr. Carver for a pill. And Dr. Carver tells his frau that business is improving now; and cheers her up and says, "My dear, you've been quite feeble for a year. I'm thinking you should have a rest; you'd better take a trip out west." And in a couple of days the frau is on the farm of Joshua Howe. She pays her board to Farmer Howe, who takes the bill and says, "I swear. Here's something that just can't be beat—this bill's the one I got for wheat." He hums a couple of cheerful tunes and goes and buys a lot more prunes. There's miles of smiles, scarce any frown, when folks patronize their own home town; for when the dollars are sent away, they never come back to help community prosperity.
