TANLAC FOR YOUR HEALTH

The Jealous Wife

Judge Ben B. Lindsey, advocating trial marriages, said to a New York reporter:

"Trial marriages would do away with jealousy. Some wives and husbands are insanely jealous, you know. "A jealous wife was running down a pretty girl.

"Well, anyhow," her husband said, "she dresses like a lady." "Explain yourself!" shrieked his wife. "When and where have you seen her dressing?"

If I look any younger, Nujol gets the credit."

Nujol helps Nature in Nature's own way

"Yes, Billie, and I felt old. No appetite, couldn't sleep nights—one day just like another, and none of them any good. I knew constipation was at the bottom of it, but it seemed the more laxatives I took the worse I got. Then one day I saw Nell giving Nujol to my little grandson. The doctor had prescribed it for the baby, but I found out it's just the thing for old fellows like me, too.

Middle age brings on a decrease in the natural lubricating secretions in the intestine. Then you need Nujol. It supplies the deficiency of the natural lubricant. Medical authorities approve Nujol because it is gentle, safe and natural in its action.

Constipation is dangerous for anybody. Nujol is safe for everybody. Nujol simply softens the waste matter and thus permits thorough and regular elimination without overtaxing the intestinal muscles. It is not a medicine.

You can take Nujol for any length of time without ill effects. It should be taken regularly in accordance with the directions on each bottle. Unlike laxatives, it does not form a habit and can be discontinued at any time.

"I tell you, Billie, it keeps me feeling fine all the time. My appetite's back and I sleep like a child."

Ask your druggist for Nujol today and begin to enjoy the perfect health that is possible only when elimination is normal and regular.
