

**WISHING YOU
A MERRY CHRISTMAS**

Just now, when gladness is filling the earth, and all nations and tongues are vieing in spreading cheer to every clime, it is fitting and appropriate that we should add our little bit to the song of gladness and good cheer. Therefore, in appreciation of your good will and patronage during the past twelve months we extend to you our most sincere wishes for a Happy Christmas to you and yours on tomorrow as you extend greetings and remembrances. May the happiness enjoyed on this day remain with you throughout the coming year.
