What He Was Trying For

Fine

The Lady—Did you have a good seat?
The Cynic—Yes. The best in the house. I couldn't hear a word.

In Keeping

"And that is?"

Nujol Works Like Nature

Constipation is dangerous for anybody. Nujol is safe for everybody. It is neither a food nor a medicine. It does not gripe. It is gentle and natural in its action and is prescribed by leading medical authorities.

Nujol simply makes up for a deficiency—temporary or chronic—in the supply of natural lubricant in the intestines. It softens the waste matter and thus permits thorough and regular elimination without overtaxing the intestinal muscles.

Nujol can be taken for any length of time without ill effects. To insure internal cleanliness, it should be taken regularly, in accordance with the directions on each bottle. As Nujol is not a laxative, it does not form a habit and can be discontinued at any time.

"Finally, I went to see Dr. Farman. He showed me that it was constipation that was back of my troubles.
