

WASHINGTON LETTER.

Senator Blair of New Hampshire, the author of the Educational bill has just introduced another measure over which the mere question of reference caused quite a spirited debate.

Senator Blair said he had introduced his bill in entire good faith. He understood that in the one state of North Carolina, there were to-day 20,000 ex-soldiers of the Confederacy who had lost limbs in the service, and that most of them were in poor circumstances.

It seemed to him that if the Government under this or any other administration gave appointments to men who had been disloyal to the Union, preference should be given to those who were disabled, (other things being equal).

The widow of General Hancock will be presented with a handsome brown stone and brick house in this city about the first of April. Some friends of the late General have been actively engaged in trying to raise sufficient money for its purchase, and have met with success.

Day and Night. During an acute attack of Bronchitis, a ceaseless tickling in the throat, and an exhausting, hacking cough, afflict the sufferer. Sleep is banished, and great prostration follows. This disease is also attended with Hoarseness, and sometimes Loss of Voice. It is liable to become chronic, involve the lungs, and terminate fatally.

I have been a practicing physician for twenty-four years, and for the past twenty have succeeded from annual attacks of Bronchitis. After exhausting all the usual remedies.

Without Relief. I tried Ayer's Cherry Pectoral. It effected a speedy cure.—G. Stovall, M. D., Carrollton, Miss. Ayer's Cherry Pectoral is decidedly the best remedy, within my knowledge, for chronic Bronchitis, and all lung diseases.

I was attacked, last winter, with a severe Cough, which grew worse and settled on my Lungs. By night sweats I was reduced almost to a skeleton. My Cough was incessant, and I frequently spit blood. My physician told me to give up business, or I would not live a month. After taking various remedies without relief, I was finally

Cured By Using two bottles of Ayer's Cherry Pectoral. I am now in perfect health, and able to resume business, after having been pronounced incurable with Consumption.—S. P. Henderson, Southburg, Penn.

For years I was in a decline. I had weak lungs, and suffered from Bronchitis and Catarrh. Ayer's Cherry Pectoral restored me to health, and I have been for a long time comparatively vigorous. In case of a cold I always resort to the Pectoral, and find speedy relief.—Edward E. Curtis, Rutland, Vt.

Two years ago I suffered from a severe Bronchitis. The physician attending me became fearful that the disease would result in Pneumonia. After trying various medicines, without benefit, he prescribed Ayer's Cherry Pectoral, which relieved me at once. I continued to take this medicine, and was cured.—Ernest Colton, Logansport, Ind.

Ayer's Cherry Pectoral. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price 25c per bottle, 50c.
