AYER'S Sugar-Coated Cathartic If the Liver beowels are constipated, or if the stomach

fails to perform its functions properly, use Ayer's Pills. They are invaluable. For some years I was a victim to Liver Complaint, in consequence of which I suffered from General Debility and Indi-gestion. A few boxes of Ayer's Pills restored me to perfect health.—W. T. Brigfitney, Henderson, W. Va.

For years I have relied more upon Ayer's Pills than anything else, to Regulate

my bowels. These Pills are mild in action, and do their work theroughly. I have used them, with good effect, in cases of Rheumatism and Dyspepsia.—G. F. Miller, Attleborough, Mass. Ayer's Pills cured me of Stomach and Liver troubles, from which I had suffered for years. I consider them the best pills made, and would not be without them. — Morris Gates, Downsville, N. Y.

I was attacked with Blions Fever which was followed by Jaundice, and was so dangerously ill that my friends despaired of my recovery. I commenced taking Ayer's Pills, and soon regained my customary strength and vigor.—John C. Pattison, Lowell, Nebraska.

Last spring I suffered greatly from a troublesome humor on my side. In spite of every effort to cure this eruption, it in-creased until the flesh became entirely raw. I was troubled, at the same time, with Indigestion, and distressing pains in

The Bowels.

By the advice of a friend I began taking Ayer's Pills. In a short time I was free from pain, my food digested properly, the sores on my body commenced healing, and, in less than one month, I was cured. —Samuel D. White, Atlanta, Ga.

I have long used Ayer's Pills, in my family, and believe them to be the best pills made.—S. C. Darden, Darden, Miss. My wife and little girl were taken with Dysentery a few days ago, and I at once began giving them small doses of Ayer's Pills, thinking I would call a doctor if the disease became any worse. In a short time the bloody discharges stopped, all pain went away, and health was restored.
