I contracted a severe cold, which suddenly developed into Pneumonia, presenting dangerous and obstinate symptoms. My physician ordered the use of Ayer's Cherry Pectoral. His instructions were followed, and the result was a rapid and permanent cure. — H. E. Stimpson, Rogara Prairie, Tex.

Two years ago I suffared from a severe Cold, which settled on my Lungs. I consulted various physicians, and took the medicines they prescribed, but received only temperary relief. A friend it linced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was cured. Since then I have given the Pectoral to my children, and consider it

Some time ago I took a slight Cold, which, being neglected, grew worse, and settled on my Lungs. I had a hacking cough, and was very weak. Those who knew me best considered my life to be in great danger. I continued to suffer until I commenced using Ayer's Cherr-Pectoral. Less than one bottle of this valuable medicine cured me and I feel that I owe the preservation of my life to its curative powers. — Mrs. Ann Lockwood, Akron, New York.
