

LOCAL AND GENERAL.

Subscribe for THE EXPRESS. The roads are getting dusty. Yesterday was St. Valentine's day. Thirteen new subscribers this week. Fresh fish every Friday at Montague's cash store.

Mr. John Waters has been suffering from a very sore foot. We are sorry to learn that Mr. D. M. Aumbler has been quite sick. Mr. J. M. Wiley and Rev. J. R. Kirkpatrick visited Solo last Wednesday.

Prof. F. M. Mitchell, of Albany, made this office a pleasant call Tuesday.

Three lots were sold in Kirkpatrick's addition to the town of Lebanon this week.

Buy the Thompson & Overman brand of harness at Albany. They warrant all work.

M. A. Miller received an elegant shoe case from Portland Monday. Something new, call and see it.

Mr. B. Burtenshaw, one of our best citizens and an employee of the state prison, is in town attending his son who is quite sick.

Mr. A. Boyes, of Pittsville, W. T., has spent several days looking over the lands in this vicinity. We trust he will decide to locate with us.

All old accounts due us must be paid by the last of January or I will place them in the hands of an attorney for collection. T. C. PEEBLER.

Now is the time to subscribe for THE EXPRESS and read that serial, Beautiful Jim, in supplement, free to all new subscribers and those who are not in arrears.

We printed bills for a public sale which is to take place on the farm of Mr. G. F. Sylvester, about six miles northeast of Brownsville on Tuesday, March 5.

Jacob Arn, the boss harness maker, invites every body to come in and examine his work. He guarantees an honest job.

When you go to Albany do not fail to see and examine the mammoth stock of clothing at L. E. Blain's. You will receive prompt attention and honest goods at rock bottom prices.

Rev. F. W. Parker, pastor of the Cumberland Presbyterian church at Woodburn, was on a visit in Lebanon on Monday, the guest of Rev. J. R. Kirkpatrick. Mr. Parker has many warm friends in this place.

The lovely weather is a standing advertisement of Oregon's salubrious climate. The sun shows his warm and genial face every day, the mercury bobs up serenely in the temperate neighborhood and the hills are covered with the verdure of spring.

We have spent 45 winters in the south and three in the north, and this is, so far, the mildest winter that we remember of having ever experienced. It is more like a dream than a reality, and this valley is more like a fairy land than "Terra Firma."

Mr. W. C. Hindman, of Baker City, is on a visit to his brother, S. W. Hindman, of this place. He is a large stockman, and one of the early settlers of Oregon. We extend to him a cordial welcome to our town and hope his stay among us will be pleasant.

Died, in Albany, Saturday, Feb. 24th, Mrs. Rebecca Cooper, in the 77th year of her age. Mrs. Cooper was a member of the Baptist church. She was born in Jackson county, Tenn., in 1812, and in 1847 emigrated to Oregon, and settled in this county. One of our pioneers are leaving us.

The meeting at the M. E. Church closed on Wednesday evening, having continued about eighteen days. The meeting was well attended throughout and has resulted in much good to our town. There were several additions to the church and a general awakening of new life among Christians.

We are glad to learn that the Masonic fraternity have passed an order and made the necessary appropriation to put their beautiful cemetery grounds, one half mile north of town, in first-class condition. This is said to be the most desirable and elegant location for a burying ground in this county. They are offering lots at very low rates, and, as this is destined to become the future city of the dead, now is the time to select a lot.

Died, at the residence of her son-in-law, E. B. Vroom, at Cedar Flat, Lincon county, Feb. 11, of softening of the brain, Mrs. E. M. Garrison, aged 71. The remains were taken to Salem Wednesday, accompanied by her son-in-law, Mrs. E. B. Vroom, and his daughter, Mrs. Minnie Menzie, of Portland, who attended her grandmother during her last illness. The remains were interred in the Lea Mission cemetery.

Married, at the residence of the bride's grandmother, in Jefferson, Or., February 11, 1889, Edward J. Hearn and Edith L. Reid, both of this county. W. T. Van Sney officiating. After the ceremony was over a nice dinner was served and a number of valuable presents were given to the young couple. They were then escorted to the depot to take the train for Aurora, Portland, and other points, to be gone one week. The groom is one of Jefferson's most energetic business men, and the bride is a highly accomplished lady. We congratulate.

The Hon. R. C. Miller visited home on Saturday and Sunday during the recess of the Legislature. He has our thanks for valuable state papers. Mr. Miller thinks the Republican party will have a "dreadful loaded pack in the future," for their lavishing grants of public money. We think the Government is right to veto the Bull Run bill, after careful study of the matter. If Portland is exempt from taxes why not the rest of us? Lebanon needs State help just as much as Portland.

SCIO.

Billy Brender is also living to build a new house and has let a contract for it.

Mr. Owen Cyrus and wife will soon occupy the O-burn house as their permanent home.

Mr. T. B. Barne's is building a new house for Mr. Clay Myers. Report says a eagle to hold a bird.

James Campbell, a good and substantial farmer near by, is going to move into town for school purposes.

The late act of the legislature will doubtless close one of Scio's saloons, just on the outside of the corporation.

Rev. B. F. Moody, of the C. P. Church at this place, has just commenced a protracted meeting. Rev. J. R. Kirkpatrick preached on Tuesday night.

The most notable event of the week is the marriage of Mr. W. H. Boyles of Salem to Miss Edith M. Reynolds, daughter of our most estimable citizen; Rev. B. F. Moody officiating. Mr. Boyles is engaged with the State Insurance Co., is a graduate of the Willamette University, one of the promising young men of the state. His bride was educated at the same institution and is an accomplished lady.

Dr. W. V. Hyde and Peter Smith have lately bought and fitted up a joint building on the east side of the street, one part to be occupied by the doctor and the other by W. L. Culbertson, a young and promising lawyer of North Carolina. Mr. C. has made a fine impression on our citizens as a lawyer of fine attainments and good moral character.

ACADEMY NOTES.

School very quiet this week; a good many are absent.

Miss Mand Nickerson will edit the Literary Star this week.

The Misses Simpson, of Spicer, Chas. Goss, of Albany, and others called on the school this week.

Miss Lela Edwards, teacher of the primary department, is confined at home on account of sickness.

The Gleaner this week is under the efficient management of W. L. Jackson, and with liberal patronage he will have a good paper.

Quite a number of students are absent from school on account of sickness among whom we will mention Miss Lizette Reed, James Burtenshaw and George Walton.

A problem—A boy spends one-half of his money plus 50 cents, then one-half of the remainder plus 50 cents, and then had \$3 remaining; how much had he at first. Send in the solution to the academy.

WATERLOG.

Feb. 12.

Weather fine. Some garden is being put in around here.

Prof. Mitchell passed through here Monday.

There have been several soda seekers here this week.

Mrs. S. J. Gress has returned from visiting relatives on Hamilton creek.

T. M. Devine's grand ball went off fine, everybody enjoying themselves.

J. A. Gibbard, S. A. Huddleson and Wm. Huddleson took a trip to the mountains Sunday.

Mr. A. Thomas, of East Portland, and a number of others have been at the hotel for a number of days.

Mr. Bishop, of Hamilton creek, passed through here on his way out to circulate the bridge petition for this place. We would like to see a bridge here.

MISTLETOE.

An Opportunity for Lebanon.

Mr. John E. Durand, representing Davis and Rankin, contractors and builders of creameries and cheese factories, is now in Lebanon for the purpose of organizing a company for this business. A large portion of this stock is already subscribed and we hope the balance will be taken at once. There is no doubt if the enterprise is managed right, and as we have men that the brains and energy to do it, that it will pay handsomely and give employment to a number of hands and utilize to the very best advantage our cream. It will put in circulation not less than \$25,000 actually and throw new life into business. Now is your time, fellow citizens. "There is a time in the tide of all men which, if taken at the flood, leads to fortune."

Lots for Sale.

Lebanon Lodge No. 44, A. F. & A. M. are now offering the lots in their beautiful burying ground, one half mile north of town, for sale on reasonable terms. These lots are offered at the very low figure of \$10 average. Those desirous of choice lots would do well to call at once on

M. A. MILLER, Sec.

What on Earth.

Is the reason people will not, can not, or do not see any difference in cheap nostrums put up by cheap John homes or irresponsible parties at enormous prices, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such universal satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work will cost you nothing.

M. A. MILLER, Druggist.

Slashing.

150 acres to be slashed on the Elkins farm. For further particulars inquire of R. A. Clark on the premises 8 miles south of Lebanon.

The present session of the legislature will cost the state \$40,000, or about a thousand dollars a day. That was the estimate of Secretary of State McBride in his biennial report.

An exasperated editor, being threatened with a coat of tar and feathers, said in his next issue, "The people of this town may break into somebody's hen-roost and steal the feathers, but we know they are too stingy to buy the tar, so we're not scared."

Mr. Blaine will be in Harrison's cabinet, but Miller will still lead in the sale of Drugs.

KEEP POSTED.

Go to Thompson & Overman's for saddles. J. S. Courtney, M. D., physician and surgeon.

California celery and cauliflower at the new cash store. Just received at Miller's drug store, one gross Red Cross Cough Cure. Try it.

The best is the cheapest; hence Thompson & Overman's harness is the cheapest.

Call on A. R. Cyrus for the celebrated Morrison Plows, and other agricultural implements.

If you go to Albany to buy a stove call on G. W. Smith, who has the largest and best stock of stoves and tinware and sells cheaper than anyone in Albany.

When you desire a pleasant physio, try St. Patrick's Pills. They can always be depended upon, and do not nauseate the stomach nor gripe the bowels. For sale by M. A. Miller.

Parties wishing lumber will do well to give us a call. We have on hand over 10000 feet of fencing lumber. CASHOW & CABLE, Brownsville.

Having enlarged our business with a complete stock of everything kept in a first-class furniture house, we invite the public to call and give us a trial. We make a specialty of everything kept in the undertaker's line. FORTMILLER & IRVING, Albany, Oregon.

An Editor's Recanting.

An editor died and slowly wended his way down to where a warm reception awaited him. The devil met him and said:

"For many years thou hast borne the blame for the errors that the printers made in the paper. The paper has gone for two dollars, but, alas, the two dollars have often failed to come. The printers have bedeviled thee for wages on Saturday night, when thou hadst not a cent to thy name. Men have taken the paper without paying for it, and cursed thee for not getting up a better paper. Thou hast been called a deadbeat and a fraud by men who are both. All these things thou hast borne in silence. Thou canst not come in here."

And he fired him. As he did so he murmured to himself: "Heaven is his home."

Veto Sustained.

Gov. Pennoyer's veto of the Bull Run water bill for Portland was sustained. The vote stood 37 to 22. At least a week's work of the legislature is all for naught, and we are glad the matter has ended as it did, while at the same time we regret that Portland should be defeated in the gallant attempt to furnish her citizens with pure good water. If Portland had received this franchise that would have been no end to similar demands upon the state.

Entitled to the Best. All are entitled to the best that their money will buy, so every family should have, at once, a bottle of the best family remedy, Syrup of Figs, to cleanse the system when constive or bilious. For sale in 50c and \$1.00 bottles by all leading druggists.

The Happiest Man in Town. Is the fellow who bought a nice lot of furniture at the trip to the mountains of Fort Miller & Irving, at Albany. If you want to please your wife and make her great you with loving smiles, just go and do likewise. They are honest dealers and carry an immense stock.

Winter at East.

As we go to press there is a brisk, driving snow storm from the south. Winter has delayed till a very late day, the 14th, but now comes in the majesty of state.

Having bought out Mr. Andrews' interest in the firm of Andrews & Hackleman, I desire to collect all outstanding accounts now due. All persons knowing themselves indebted to the late firm will please settle as soon as possible. I desire to close up all last year's accounts. C. C. HACKLEMAN.

Cough and Cough! and Cough!!! What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once. This is no advertising scheme, but an actual fact, and we guarantee it. M. A. MILLER, Druggist.

One price and cash at the new cash store, but everything sold cheap and delivered to any part of the city.

Readers of this paper can save money by calling on Deyoe & Robson, of Albany, as they have the most complete stock of all kinds of hardware and agricultural implements on this coast.

I have just FOUND out what farmers need. They're DEAD gone on my new harrow, made IN independent sections, to order; each section can be cleaned and moved without trouble. Wagon and BOX and set of harness for sale cheap for cash. Iron harrows or any other work done to order at the Red Front blacksmith shop. JOSEPH HARRIS.

Notice. The firm of Thompson & Waters having by mutual consent dissolved partnership on Feb. 1, 1889, all parties knowing themselves indebted to them by note or account are notified to call and settle the same at the office of the Brownsville Roller Flouring Mill. J. M. WATERS.

Chamberlain's Cough Remedy is famous for its prompt and efficient cures of coughs and colds. The most severe cold may be loosened and relieved by a few doses of this valuable remedy. For sale by M. A. Miller.

All parties knowing themselves indebted to me will please call and settle, as I desire to balance up my accounts of 1888 and do a cash business hereafter. M. A. MILLER.

There is no danger in giving Chamberlain's Cough Remedy to children as it contains no injurious substance; besides it is unequalled for colds and croup. Children like it. For sale by M. A. Miller.

Increase of Population. Mrs. A. G. Johnson, living near Smith river, near Gardiner, Douglas county, gave birth to three girl babies a few days ago, all alive and doing well. They are neighbors of Representative Ricker, who feels like introducing an item into the appropriation bill for their maintenance, so as to encourage the rapid settling up of this county. —Staceanu.
