

PILES! PILES! PILES!!!
 Dr. William's Indian Pile Ointment is the only sure cure for Blind, Bleeding or Itching Piles ever discovered. It never fails to cure old chronic cases of long standing.
 Judge Coffinbury, Cleveland, O., Says: "I have found by experience that Dr. William's Indian Pile Ointment gives immediate relief."

The most manifest sign of wisdom is continued cheerfulness.

Consumption Surely Cured.
 To the Editor:—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy free to any of your readers who have consumption if they will send me their express and postoffice address. Respectfully,
 T. A. SLOCOM, M. C., 181 Pearl St., New York.

You will never find time for anything if you want time you must make it.

Confidence Begot of Success.
 So confident are the manufacturers of that world-famed remedy, Dr. Pierce's Golden Medical Discovery, that it will do all that they represent, in the cure of liver, blood and lung diseases, that, after witnessing its thousands of cures for many years past, they now feel warranted in selling it (as they are doing, through druggists) under a positive guarantee of its giving satisfaction in every case, or money paid for it will be refunded. No medicine of ordinary merit could be sold under such severe conditions with profit to its proprietors, and no other medicine for the disease for which it is recommended was ever before sold under a guarantee of a cure or no pay. In all blood taints and impurities of whatever nature or nature, it is most positive in its curative efforts. Pimples, blotches, eruptions and all skin and scalp diseases are radically cured by this wonderful medicine. Scrofulous disease may affect the glands, causing swellings or tumors; the bones, causing "fever-sores," or "white swellings," or "hip-joint disease," or the tissues of the lungs, causing pulmonary consumption. No matter in which one of its myriad forms it crops out, or manifests itself, "Golden Medical Discovery" will cure it if used perseveringly and in time.

Its thousands of cures are the best advertisements for Dr. Sage's Catarrh Remedy.

We should do everything we can for others, if only to dissipate the thought of what they omit to do for us.

FOR THE BLOOD!

Swift's Specific cured me of Cancer, which was hereditary, for my father died of Cancer. My case resisted all other treatment, in fact grew worse all the time. I left off all other remedies, and took S. S. S., which forced out the poison until my system was cleansed, when the Cancer healed, not even leaving a sign. My health since has been excellent.

There is no man so bad but has a secret respect for the good.

Idleness is a dangerous fault
 In the kidneys. When inactive they specifically fall into disrepair. Those obstinate and fatal maladies, Bright's disease and diabetes, ensue with terrible certainty upon the inaction of the organs affected. Catarrh of the bladder, emaciation, gravel and stranguary are also to be apprehended from a partial paralysis of the bladder, of which weakness and sluggishness are the cause. Howlett's Stomach Bitters is a fine tonic and promoter of activity for the renal organs, and one which can be relied upon to afford them the requisite stimulus without exciting them—an effect to be feared from the unmodified alcoholic excitant of commerce. A further beneficent effect of the Bitters, by renewing activity of the kidneys, is to enable them to drain from the blood in its passage through them, impurities productive of rheumatism and dropsy. Nervousness, fever and ague, constipation and dyspepsia are conquered by the Bitters.

Every ultimate fact is only the first of a new series.

Happy Recovery.
 There is nothing I now enjoy that I do not owe to having used Dr. David Kennedy's Favorite Remedy, of Roundout, N. Y., at a time when I was suffering all that a human being could endure. My troubles began in my kidneys, from which I never expected to recover. My physician said I had Bright's disease. Later I had a bad attack of gravel, six years ago last June—how well I remember that day—I saw Dr. Kennedy's Favorite Remedy advertised in our paper. After using three bottles I was well. I have never had a return of the disease, and though I am over sixty years of age I am vigorous and strong, as I was in my prime. What physicians and the many remedies I have taken could not do, Dr. Kennedy's Favorite Remedy did; it stayed the disease and made me a well woman.—Mrs. Emiline F. Mizer, Burg Hill, O.
