

It is proposed in Mississippi to pass a law prohibiting any negro or any man with negro blood in his veins from holding a political state office. It is thought that such an act will not conflict with the constitution of the United States. The proposer of such a law says that by this remedy all friction between the whites and blacks will be removed.

When a man is neatly and quickly what he is said to have been neglected. When a surplus resolves into a deficit it has been Tannerized. Thus the English language attains new beauty from every passing event.

Old-time men in Boston who studied algebra and were proficient in mathematics, not one became a surveyor or an engineer.

**What a Fortune**

Is a good healthy, pearly skin. Few are aware of the short time it takes for a disordered liver to cause blotches on the face, and a dark greasy skin. One bottle of Begg's Blood Purifier and Blood Maker will restore this organ to its natural and healthy state, and cleanse the blood of all impurities. It is meeting with wonderful success. We guarantee every bottle. M. A. Miller, Druggist.
