

ANOTHER FAMILY OUT OF TROUBLE AND AS A RESULT, HAPPY.

Such a remark as this will always draw the attention of every good thinking man or woman. We all desire to be out of trouble and happy, and when we read as above, our hearts join in congratulations. This is one of the many cases that our heading meet exactly:

"I, G. W. Morley, 536 1/2 Howard Street, have been a severe sufferer for years, and have had the best doctors in San Francisco attend me, without any results for the better. My trouble was severe attacks of pains in my back and chest; headache; loss of appetite; languid, tired feelings; skin rough and greasy, and, in fact, generally broken down in health. I purchased two bottles of your Great Sierra Kidney and Liver Cure, and after two weeks I find myself cured from all my ailments. My appetite is fine, my pains are gone, my skin is clear, and I can surely say I am well and will ever thank your wonderful remedy for my health, and, in fact, my life. Very truly yours, G. W. MORTLEY, 536 1/2 Howard St., San Francisco, Cal."

Can Life Be Prolonged?

The prolongation of human life, the restoration of decayed functions to their normal activity by electricity, even when suggested as a remote possibility, rouse and chain the attention. When this suggestion is made by a man whose record of achievements has given him a reputation on two continents, and whose statements are always received with respect, if not with reverence, incredulity forgets to smile, and we listen with the feeling that the path of discovery always runs through apparent impossibilities. No snap judgment avails in this modern age. To say of anything that it can't be done is to exhibit ignorance of what has been done. The age of miracles is not in the past, but in the present and future. We walk in the company of marvels every day, which the science of electricity has recently achieved. Dr. Darrin has at any rate given us something serious to think about, and encouraged the hope of new victories over the ills to which flesh is heir by his system of electro-magnetic treatment, as the following references show:

- Geo. H. Papenberg, Tualatin, Or.—Deafness ten years so he could scarcely hear a sound; cured in twenty minutes.
- Mrs. John McGinnis, Vancouver, W. T.—Paralyzed arm cured sixteen years ago by Dr. Darrin while in San Francisco.
- Ex-Mayor C. H. Hill's son, of Albina, Or.—Cured of an offensive discharge of both ears since five months old.
- John B. Dougherty, Roche Harbor, W. T.—Hydrocele entirely cured and removed by one operation of five minutes.
- Mrs. S. A. Wooden's girl, 94 Columbia street, Portland—Nervous debility and malarial fever and discharging ear; restored.
- Wm. Altnow, Drewsey, Grant county, Or.—Catarthal deafness and ring in the ears for twenty years; perfectly cured.
- Mrs. S. W. Metzgar, Gresham, Or.—Dyspepsia, liver complaint and pain in stomach twenty-three years, restored.
- Mrs. C. Magenson, Merchant's hotel, Portland—Rheumatism, neuralgia, and female trouble; cured permanently one year ago.
- W. E. Ogle, Seasco, W. T.—Liver and kidney complaint and dyspepsia, also deafness and whole system run down; cured.
- William Little, Seattle, W. T.—Pain in his chest of over eight years' standing; entirely cured by electro-magnetic treatment.
- J. W. Zumwalt, Albany, Or.—Formerly of Moro, Wasco county Or; cured of an aggravated case of rheumatism and spinal complaint.

The Renaissance of the Fan.

After a long interval, a long period of neglect, the year 1829 saw a revival in the taste for fans. It chanced that a grand ball was preparing at the Tuileries, at which several "costume quadrilles" were to be danced. Madame la Duchesse de Berri had undertaken to get up a Louis XV. quadrille, and was seeking everywhere—had sought everywhere in vain—for fans of that period. Suddenly some one remembered having seen some old fans in the shop window of a perfumer named Vanier, who lived in the Rue Caumartin. Vanier had collected old fans for some time as an amateur. His fans were taken to the palace; in the quadrille they created a furor, and were all purchased. The Duchesse de Berri's ball began the renaissance of the fan.

Experience

Teaches that certain vegetables exert in digestion a powerful influence on the blood; deficient nutrition is stimulated, the burdened current is unloaded, and poisons withheld from the parts which they pollute and defile. This simple, natural action, purifying the blood, is promptly accomplished by Hood's Sarsaparilla, a skillful combination of such vegetable extracts, whose active qualities and native excellences are concentrated by a process peculiar to itself, and found in no other preparation. Hood's sarsaparilla does not actually strain out impurities, removes obstructions, and opens the natural outlets of the system. No rack, no strain, no pain accompanies the administration of Hood's sarsaparilla.

"For three years I suffered with dyspepsia, growing so bad that I was completely broken down in health. I began taking Hood's sarsaparilla, and soon gained strength and appetite, and was restored to my former health." J. E. RUSSELL, Clerk Commercial Hotel, Brookville, Penn.

FOR THE BLOOD!

Swift's Specific cured me of Cancer, which was hereditary, for my father died of Cancer. My case resisted all other treatment, in fact grew worse all the time. I left off all other remedies, and took S. S. S. which forced out the poison until my system was cleansed, when the Cancer healed, not even leaving a sign. My health since has been excellent.

MR. JOHN W. FURBUSH, An Army Veteran, OF WAKEFIELD,

who has probably suffered more than any man or woman in America to-day. Taken sick while in the Army, he has endured untold agonies since. Describing his first symptoms he said: "My head ached and my appetite was poor. I felt a faintness at the pit of the stomach, and bad taste in my mouth, while my skin was sometimes hot and sometimes cold. I next felt pains in my back and around the lower portion of my body, and noticed a peculiar odor and color in the water I passed, which was scanty at one time and free at others. Sometimes it pained me to void it, and again it was almost impossible to do so at all. Finally I began to pass clear blood accompanied with the greatest strain and agony." No less than 50 eminent physicians attended Mr. Furbush at various times, but not one of them could help him. He was near death's door. And yet he says: "I am alive and well to-day, wholly through the wonderful power of Hunt's Remedy which took me from the verge of the grave." This Great Remedy absolutely cures all Kidney, Liver and Urinary Diseases.

A Dig in the Ribs.
 If on the right side and lower part of the diaphragm, though playfully meant and delivered, is calculated to evoke profanity from a chappy whose liver is out of order. When that region is sore and congested, pokes seem fiendish. Look at a man's countenance ere you prod him under the ribs. If his skin and eyeballs have a yellow tinge, you may infer also that his tongue is furled, his breath apt to be sour, that he has pain, Dr. Kirk's German Pile Ointment under the right shoulder-blade. Also that his bowels are irregular and his digestion impaired. Instead of making a jocose demonstration on his ribs, recommend him to take and steadily persist in taking, Hostetter's Stomach Bitters, the finest anti-bilious and alterative medicine extant. Incomparable in its aid, for dyspepsia, rheumatism, nervousness, kidney trouble, and fever and ague.

Bright's Disease Cured.
 About two years ago our daughter had congestion of the kidneys, which developed into Bright's Disease. Her body was swollen to an enormous size—measuring 45 inches around the waist, and 18 inches below the knee. After physicians had given up her case, I determined to have her try Dr. Kennedy's "Favorite Remedy," of Rondout, N. Y. Gradually the swelling was reduced from 45 to 29 inches. She began to gain strength, and was able to walk without fatigue. We do not know how to express our gratitude for what it has done for our child. We are confident the Favorite Remedy will do all that is claimed for it—surely God has blessed it in this case, and we earnestly recommend it to all suffering from kidney disorders.—S. D.
