

Swine have acquired the reputation of being filthy animals. This is unjust, however, because it is only by restraint that they are so. Give them their native freedom and pigs are very neat in their habits. When fed and kept as nature designed, the flesh of swine is probably as conducive to health as that of any of the grass-eating animals. Pigs should not be kept in villages or cities, or congregated together in too great numbers anywhere in confinement, where they must wallow in filth and breathe foul air. Pork from such slums is not proper food for the human stomach. Swine kept upon the farm, and furnished with suitable quarters and healthy food, are a most desirable class of farm stock.

### Danger from Catarrh!

Catarrh is an exceedingly disagreeable disease, its various symptoms, discharge at the nose, bad breath, pain between the eyes, coughing, choking sensation, ringing noises in the ears, etc., being not only troublesome to the sufferer, but offensive to others. Catarrh is also dangerous, because it may lead to bronchitis or consumption. Being a blood disease, the true method of cure is to purify the blood by taking Hood's Sarsaparilla, which has cured many severe cases of catarrh.

"For several years I had been troubled with a kind of asthma or catarrh in my throat, and had tried several kinds of medicine but could find nothing to help me. My wife wanted me to try a bottle of Hood's Sarsaparilla. I told the druggist of whom I bought it that I had no faith in it, but would give it a trial, which I did. I must say I was very much benefited by using it and would recommend it very highly to any one having asthma or catarrh." ELIAS P. DEVIKES, firm of Devikes & Peterson, Omaha, Neb.

The above Picture Represents **CAPTAIN S. GREENWOOD,** Master of the Steamship Kanawha.

About a year ago he observed a strange change in his feelings. He felt tired instead of vigorous; nervous instead of strong. His appetite became poor and his sleep broken. He tried to overcome these feelings, but they would not go. He then noticed pains and irritation in the water channels, and that the fluids passed were often thick and with a scum on top or a brick-dust sediment at the bottom. All these were the sure symptoms of that fearful disease, Catarrh of the Bladder, which has always been considered incurable, and they continued until the Captain was in a terrible condition. But he is the picture of health and vigor to-day, and he owes it entirely to that wonderful medicine, Hunt's Remedy. Capt. Greenwood says: "I am so certain of the great value of Hunt's Remedy, that I always carry a supply on shipboard for the uses of my men, and I prescribe it whenever they are ailing. After curing me as it did, and restoring my wife, (whom the best physicians of New York said was dying of tumor,) to perfect health, I swear by it." This Great Remedy absolutely cures all Kidney, Liver and Urinary Diseases.

### THAT ELEPHANT.

The passengers on the Berkeley local enjoy a sight which is denied residents of O'kiana, unless they make a special trip for the purpose of "seeing the elephant," and those who have taken this trip agree in saying they were well repaid for their trouble. Standing on the marsh near 16th St. station is a ponderous white elephant, evidently enjoying the refreshing sniffs of malaria. So natural does this monster look that the children on the passing trains wonder why he stands so quiet day after day. The animal was imported by the SIERRA CHEMICAL COMPANY, and is causing a great deal of comment. Mr. V. P. Mitchell, the keeper of this monster, appears to have absolute control over his charge, and even boasts of his ability to heap all manner of indignities upon the beast, without danger to himself. Mr. Mitchell further states that the reason the animal is able to remain in such an unhealthy locality is that the elephant's liver is kept in perfect order by the Great Sierra Kidney and Liver Cure.

DRS. DARRIN—Dear Sirs: In answer to your letter of inquiry I can only say that after nine months my hearing remains good; can hear the clock tick in next room plainly. No ringing or buzzing noises in my ears, and I feel as though they were permanently cured; and I feel as though you could cure all curable cases. I am truly grateful and feel that you will treat all fairly.

I have witnessed their skillful operations on others. **HENRY VAN HELMS.**

Cross-Eye Made Straight in One Minute.

MR. EDITOR: For twenty years I have been cross-eyed and had great fear of an operation. At last I was induced to try Dr. Darrin, as his system is almost painless. Last week I came from California to visit my sister, Mrs. E. H. Marshall, living on the southwest corner of Twelfth and Washington streets, Portland. I applied to Dr. Darrin, who told me he would cure me or no pay. I was cured in one minute.

### HOPE FOR THE SICK.

One Remedy for One Disease. (From Medical Journal).

"The four greatest medical centres of the world are London, Paris, Berlin and Vienna. These cities have immense hospitals teeming with suffering humanity. Crowds of students throng the wards studying under the Professors in charge. The most renowned physicians of the world teach and practice here, and the institutions are storehouses of medical knowledge and experience. With a view of making this experience available to the public the Hospital Remedy Co. at great expense secured the prescriptions of the hospitals, prepared the specifics, and although it would cost from \$25 to \$100 to secure the attention of their distinguished originators, yet in this way these valuable medicines are sold at the price of the cheap patent medicines that flood the market and absurdly claim to cure every ill from a single bottle. The want always felt for a reliable class of domestic remedies is now filled with perfect satisfaction. The Hospital Remedies make no unreasonable claims. The specific for Catarrh cures that and nothing else; so with the specific for Bronchitis, Consumption and Lung Troubles; Rheumatism is cured by No. 3, while troubles of Digestion, Stomach, Liver and Kidneys have their own cure. To these is added a specific for Fever and Arise, one for female weakness—a general tonic and blood-maker that makes blood and gives form and fullness, and an incomparable remedy for Nervous Debility." These remedies are all sold on an absolute guarantee to do what is claimed for them. A circular describing this new method of treating disease is sent free on application by **HOSPITAL REMEDY COMPANY, Toronto, Canada, Sole Proprietors.**

Comparison, more than reality, makes men happy and can make them wretched.

The Chamber of Torture

Is the apartment to which the unhappy sufferer from inflammatory rheumatism is confined. If, ere the crisis of pain is reached, that fine preventive, Hostetter's Stomach Bitters, is used by persons of a rheumatic tendency, much unnecessary suffering is avoided. Nervines, anodynes and sedatives, while having none but a specific effect, are yet very desirable at times. Yet they can produce no lasting effect upon rheumatism, because they have no power to eliminate from the blood the rheumatic virus. Hostetter's Stomach Bitters does this, and checks at the outset a disease which, if allowed to gain headway, is next to impossible to dislodge or to do more than relieve. Rheumatism, it should be remembered, is a disease with a fatal tendency from its proneness to attack the heart. A resort to the Bitters should, therefore, be prompt. Dyspepsia, kidney complaint, malaria and nervousness are relieved by it.

A state of dejection is like a sponge; it increases with tears.

### EVERY SYMPTOM GONE.

Probably no disease inflicts so much continuous pain as Rheumatism. Over no single complaint has Dr. David Kennedy's Favorite Remedy, of Rondout, N. Y., won more cures than Rheumatism. By its use the agonized patient can once more use his limbs and freed from past years of pain.

Mr. Frank Strait, a well-known merchant of New Hamburg, N. Y., says: "I suffered tortures from sciatic Rheumatism. My case was a very bad one, and none of the means taken gave me relief. I use Dr. David Kennedy's Favorite Remedy, of Rondout, N. Y., am entirely rid of every symptom of my trouble. Only three bottles brought about this wonderful result. It has built me up and been of great benefit to me in other ways. I heartily recommend it to other sufferers."

# DR. PRICE'S BAKING POWDER

MOST PERFECT MADE.

From the Professor of Chemistry, Cal. College of Pharmacy.

SAN FRANCISCO, Jan. 24, 1889. I have made a careful analysis of a sample of Dr. PRICE'S CREAM BAKING POWDER purchased by me in open market. The results of my analysis show that the Cream of Tartar used in its manufacture is pure, and that it does not contain any foreign substances, such as Alum, Ammonia, Lime or other impurities. I consider it to be pure and wholesome, and in every way a superior article.

**A NEW TREATMENT.** Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result of this discovery is that a simple remedy has been discovered which permanently cures the most aggravated cases of these distressing diseases by a few simple applications made (two weeks apart) by the patient at home. A pamphlet explaining this new treatment is sent free by **A. H. DIXON & SON, 307 and 309 West King Street, Toronto, Canada.**
