

Sunday was quite a successful day at the M. E. Church of this city—being the occasion of the first quarterly meeting for this conference year. The prospect for this church was never better. The report of the pastor shows a membership of 120, fourteen having united within the past thirty days. The Sabbath school is also in a prosperous state, there being on the roll 105 scholars, with an average attendance for the past month of 85. Let others come—we have room for all, and we have a full complement of competent teachers. The sermon of Elder Wilson on Sunday morning will be long remembered by those who were permitted to hear him. It is a grand thing for a man to realize that it is not necessary for man to sin with his lips or to charge God foolishly. As my mother used to say, every tub stands on its own bottom. So it is in morals, every person is responsible for his own words and acts. What shall the profit be, if a man gain great riches, and lose his soul.

There is nothing in my opinion that will help a man to be strong more than for him to feel his own responsibility, to feel that he must fight his own battles, hoe his own row. Ask no favors of any one. That man will succeed a thousand times better than one who feels that he must lean on some one else, and be helped along by others. No one can help us as we help ourselves, because no one is so much interested in us and in our affairs. Therefore in the language of the old hunter, we say, "Keep your powder dry." And to young men we say, in the language of John B. Gough, "Young man, keep your record clean." How shall a young man cleanse his way? By taking heed thereto. O man! do not expect that your sweetheart, or your chum, or your father, mother, brother or sister nor your wife can cleanse your way, or make your life as it should be. This great and important work can only be done by your taking heed thereto. F. H. CALDER.

Grand Central, Risk and Rain Railroad.

Volunteer report of our work, in Los Angeles Tribune, ending June, 1889: The directors beg leave to represent that the road is now in good working order. It has within the past few weeks run hundreds of thousands of passengers through from Risk Station to destruction terminus, and enormous quantities of freight, such as mechanics' tools, household furniture, whole farms and stock, have gone forward. The receipts of the year have been so large that we can pay a dividend of 500 per cent.

The track is laid with Diaboles & Co's trip rails, the grades reduced to a dead level, and switches brought into line so as to avoid collision with any Total Abstinence engine or train. In short, no expense is spared to make it superior to any other road to ruin in existence.

We call attention to our favorite locomotive Alcohol, with driving wheels of latest improvements. Cider, Ale and Beer cars are exciting much attention, and Wine cars are models of luxurious conveyance. Ladies, children and gentlemen can have whiskey, rum and brandy, in various fancy styles.

Our experienced engineers and polite conductors have long been known to the traveling public, and need no commendation. Tickets may be procured of agents at Drinker's Office.

Being guaranteed a Christian Government—in fact authorized by legal enactment—the business is conducted by the minor partners and agents, licensed to run at full speed; indeed; so swift are our trains that some have called them "The Flying Artillery of Hell."

REGULATIONS.

Down trains start:— Ciderville, at 6 a. m. Portertown, " 7 " Reeriville, " 8 " Wineville, " 9 " Braudyboro, " 10 "

By Order, W. WHOLESALE, President. M. P. 'S, (ex-officio) Directors. R. RETAIL, Secretary. REVENUE & GAIN, Treasurer. Insurance tickets not taken. Fares taken by installments. Trains start prompt every five minutes—and with all other disastrous lines make close connections.

EDITOR EXPRESS:

Seeing nothing in your paper from this place, we think it necessary to mention what is going on here as well as at other places, for we believe we have as nice a town for its age as anybody else's town.

The R. R. work is still progressing at the front. The track is now laid twenty miles east of this place.

Why don't somebody build a tannery at Mill City; a better location can't be found. There's acres after acres of the finest kind of hemlock not three miles from town.

Our city butcher says people are hard to please. One of his fat steers died Thursday and was in the market Friday—but still his customers complain.

The young folks met at the school house last Thursday evening and organized a literary and debating society and elected the following officers for a term of three months: President, Geo. Judy; vice-president, S. K. Lewis; secretary, Miss Minnie Judy; treasurer, Mrs. Dr. Hughes.

BEWARE OF FRAUD.

To the Citizens of Linn County: Beware of the fraud of the country! I have been taken in too often not to speak of it. Don't let them fool you in their eastern goods until you see the home manufactured article. Every man with reason knows that they can't ship to us as cheap as we can make it at home. For an example, take the Common Sense Harrow. They are made at home; they are made of the best of material; all hand made; and their eastern work is all made by machinery. My work is warranted to stand. If it doesn't, fetch it back and I will make it. I have the cheapest and best harrow to be bought in the country. It is made in independent sections, either wood or iron. Show me a harrow that you can buy from the east for \$4.50! You can't do it! I'll fix you up a good harrow for that, and don't you forget it. Blacksmithing and woodwork done on short notice. JOSEPH HARBIN, Red Front Shop, Lebanon, Oregon.

What a Fortune

Is a good healthy, pearly skin. Few are aware of the short time it takes for a disordered liver to cause blotches on the face, and a dark greasy skin. One bottle of Begg's Blood Purifier and Blood Maker will restore this organ to its natural and healthy state, and cleanse the blood of all impurities. It is meeting with wonderful success. We guarantee every bottle. M. A. Miller, Druggist.
