

ELECTRICITY IS THE LIFE

When properly applied and thoroughly diffused in the human system; but this, under artificial application, must be done under the direction and able guidance of those who are by practice experienced in its use and applicability to the various diseases incident to nature, and with a careful provision as to the constitutional condition of the patient. Hence the wonderful success Dr. Darrin has over disease with the use of electricity and medicine, as the following almost miraculous cures will show. If they were not people well known in this community it would be hard to believe such cures possible.

HOPE FOR THE SICK.

One Remedy for One Disease.

(From Medical Journal.)

"The four greatest medical centres of the world are London, Paris, Berlin and Vienna. These cities have immense hospitals teeming with suffering humanity. Crowds of students through the wards studying under the Professors in charge. The most renowned physicians of the world teach and practice here, and the institutions are storehouses of medical knowledge and experience. With a view of making this experience available to the public the Hospital Remedy Co. at great expense secured the prescriptions of the hospitals, prepared the specimen, and although it would cost from \$25 to \$100 to secure the attention of their distinguished originators, yet in this way these valuable medicines are sold at the price of the quack patent medicines that flood the market and absurdly claim to cure every ill from a single bottle. The want always felt for a reliable class of domestic remedies is now filled with perfect satisfaction. The Hospital Remedy make no unreasonable claims. The specific for Catarrh cures that and nothing else; so with the specific for Bronchitis, Consumption and Lung Troubles; Rheumatism is cured by No. 3, while troubles of Digestion, Stomach, Liver and Kidneys have their own cure. To these is added a specific for Fever and Ague, one for female weakness—a general tonic and blood-maker that makes blood and gives form and fullness, and an incomparable remedy for Nervous Debility." These remedies are all sold on an absolute guarantee to do what is claimed for them.

A circular describing this new method of treating disease is sent free on application by Hospital Remedy Company, Toronto, Canada, Sole Proprietors.

It is on part of religion to pray to God for material accumulations, as man can obtain them for and by himself.

The Grave Gets Tired Yawning.

Seemingly, for certain wretched invalids who tottle feebly along, though always looking as if they were going to die, but omitting to do it. They dry up, wither, dwindle away finally, but in the mean time never having robust health, know nothing of the physical enjoyment, the zest of that existence to which they cling with such remarkable tenacity. They are always to be found trying to mend by tinkering at themselves with some trashy remedy, tonic or "pick me up" to give a fillip to digestion, or "help the liver." If such misguided folks would resort and adhere to Hostetter's Stomach Bitters it would be well with them. This superb invigorant supplies the stamina that the feeble require, by permanently reinforcing digestion and assimilation. It overcomes nervousness, insomnia, malaria, kidney complaints, biliousness, constipation, rheumatism and neuralgia.

Genius seems to be the faculty of doing a thing excellently well that nobody supposed could be done at all.

A MOTHER'S LOVE SAVES HER TEN YEAR OLD CHILD.

My little girl, ten years of age, had Bright's disease. Her ankles, feet and eyes were terribly swollen. Four of our best physicians attended her, but her life was despaired of. A mother's love surmounted all difficulties, and I determined to try Dr. David Kennedy's Favorite Remedy, made at Bondou, N. Y. Bright's disease! How happy I am that I determined upon this course—for one by one the well-known symptoms of the disease left her. Words fail to express my gratitude, and I cannot too earnestly recommend the Favorite Remedy. Her recovery was entirely due to the Favorite remedy, which was the only medicine taken after her case was abandoned by the physicians—Mrs. Laura A. Kempton, West Rutland, Vermont.

The Old, Old Story.
A little cough; a feeble ill;
A headache oft; a daily chill;
A slower walk; a quickened breath;
A frequent talk of coming death;
No strength to rise from day to day;
From loving eyes he fades away.
Now lift up more the weary head,
The struggle's o'er; the man is dead.

Such is the fatal progress of consumption. How often is repeated the old, old story. Yet not half so often as it was before the knowledge came to mankind that there was a discovery in medical science by which the dread disease could be arrested in its early stages and the patient restored to health. This wonderful remedy is Dr. Pierce's Golden Medical Discovery.

ATARRH HAY FEVER CATARRHAL DEAFNESS

A NEW TREATMENT.
Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result of this discovery is that a simple remedy has been discovered which permanently cures the most aggravated cases of these distressing diseases by a few simple applications made (two weeks apart) by the patient at home. A pamphlet explaining this new treatment is sent free by A. H. Dixon & Son, 337 and 339 West King Street, Toronto, Canada.

The above Picture Represents **CAPTAIN S. GREENWOOD,** Master of the Steamship Kanawha.

About a year ago he observed a strange change in his feelings. He felt tired instead of vigorous; nervous instead of strong. His appetite became poor and his sleep broken. He tried to overcome these feelings, but they would not go. He then noticed pains and irritation in the water channels, and that the fluids passed were often thick and with a scum on top or a brick-dust sediment at the bottom. All these were the sure symptoms of that fearful disease, Catarrh of the Bladder, which has always been considered incurable, and they continued until the Captain was in a terrible condition. But he is the picture of health and vigor to-day, and he owes it entirely to that wonderful medicine, Hunt's Remedy. Capt. Greenwood says: "I am so certain of the great value of Hunt's Remedy, that I always carry a supply on shipboard for the uses of my men, and I prescribe it whenever they are ailing. After curing me as it did, and restoring my wife, (whom the best physicians of New York said was dying of tumor), to perfect health, I swear by it."

This Great Remedy absolutely cures all Kidney, Liver and Urinary Diseases.

Young ladies' boarding-schools have sent their pupils home rosy-cheeked, romping lasses, like the three beautiful maidens in the above illustration, when they have resorted to the use of "Favorite Prescription" for building up and regulating the systems of those delicate, pale, sickly girls, just approaching puberty, who need a generous, supporting tonic and a quieting, strengthening nerve—free from alcohol and injurious drugs. Whether in boarding-schools or homes, it is guaranteed to correct all those delicate derangements and weaknesses incident to females.
