READ A FEW LINES OF GOOD ADVICE A MIZACULOUS CURE OF DEAFNESS. IT MAY SAVE YOUR LIFE

I am broken down and discouraged, and don't know just what to do for my health. This remark we often hear from both men This remark we often hear from both men and women that are positively in that condition that life is no longer to them a pleasure, but instead a continua bore. THE GREAT SIERRA KIDNEY AND LIVER CURE is especially adapted for just such cases. It acts genty on the bowels, purifies the blood without-unsightly blotches, renovates the kidneys and liver, the great organs of existence that must be kept clear. By thus doing its work it brings the nervous system into a work it brings the nervous system into a healthy condition, producing sound and refreshing sleep. For all temale complaints, leucorrien, suppressed menses, no matter from what cause, attended by severe pain, and all; other complaints secommon among women, it immediately relieves and effects a permanent cure. Put aside all prejudice and give this mest won-derful and nest of all remedies a trial. Warranted purely vegetable. Deligh ful to the taste. For sale by a l druggists. Take no other.

Archie Buland, a well-known capitalist and mining operator, died at his residence in Oasland, aged 57 years. He was one of the largest outside holders of Consolidated California and Virginia stocks at the time of the discovery of the great bonanza, ant this and other mining ventures amused him a fortune. He was widely known in Colifornia, Nevada, Oregon and Idaho. He leaves a wife and four children.

The Minnie Moore has laid off fortyfour men out of eighty-one who were working in the mice. It is not known whether this is a permanent reduction in the working force or not.

Poor Humanity!

The common lat is one of sorrow—say at least the pessionists, they who look at the worst side. Certainly what would otherwise he a bright existence is often shadowed by some atiment that overhangs it like a nall, obscuring perpetually the radiance that clee would light the path. Such an aliment, and a very common one, is nervousness, or in other words, weekness of the nervousness, it is that it conquers eati-ely supersensitiveness of the nerves, as well as diseases—so called—which are invited and sustained by the chronic weakness. As the nerves gain stamina from the great tonic the trouble disappears. Use the Hitters for malaria, rheumatism, biliousness and kidney troubles.

We measure not our cause by success, but our success by our cause,—Milton.

THE PRIDE OF HIS CLASS.

He was a bright, handsome boy of 15, sunny-tempered, brilliant and engaging, the delight of his parents, the loy of his home and the prine of his class. But a shadow fell across his bright prospects. It began with a trifling cough; soon came premoultions of consumption, his strongth failed, his cheeks grew hollow, and he seemed doomed to an early grave. Then a friend advised Dr. Pierce's Golden Medical Discovery. He tried it and was saved. Health and strongth returned, his cheerful voice rang out again across the school playground, his cheeks again grew rosy, his eyes bright. He is still "the pride of his class," and he graduates this year with highest honors.

And General Debility. Doctors disagree as to the relative value of Cod Liver Off and Hypophosphites; the one supplying strength and flesh, the other giving nerve power and acting as a tonic to the digestive and entire system. But in secti's Emulsion of Cod Liver Off with Hypophosphites the two are combined, and the effect is wonderful. Thousands who have derived no permanent benefit from other preparations have been cured by this. Scott's Emulsion is perfectly palatable, and easily digested by those who cannot tolerate plain Cod Liver Off.

Bright's Disease Cured.

About two years ago our daughter had congestion of the kidneys, which developed into Bright's Disease. Her body was swollen to an enormous size—measuring to inches around the waist, and is inches below the knee. After physicians had given up her case, I determined to have her try Dr. Kennedy's "Favonitz Kem-EDY." of Rondout, N. Y. Gradually the swelling was reduced from 45 to 25 inches. She began to gain strength, and was able to walk without faligue. We do not knew how to express our grafitude for what it has sone for our child. We are confident the Favorite kemedy will do all that is claimed for it—surely God has blessed it in this case, and we carnestly recommend it to all suffering from kidney disorders—S. D. HEALTHY OFFSPRING

are only begotten of healthy mothers. How important, then, that the health of the future mothers of our land should be carefully guarded. Our girls need the tenderest care as they are entering upon womanhood. At this critical period of their existence it often happens, through neglect, that the seeds of distressing ailments are sown, which afflict them in after years. As a regulator and promoter of functional action at this important stage, Dr. Pierce's Favorite Prescription is a most reliable agent for building up the strength and system and establishing the proper functions. "Favorite Prescription" is a legitimate medicine, carefully compounded, by an experienced and skillful physician and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For all those peculiar weaknesses, "bearing down" sensations, weak back, displacements, as prolapsus, anteversion, retroversion and kindred ailments, it is specific. The only medicine for woman's peculiar diseases, guaranteed to give satisfaction in every case, or money refunded.
