

EVIDENCE FROM A WELL-KNOWN FIRM OF SAN FRANCISCO DRAYMEN.

These testimonials are constantly coming to the office of the proprietors of the best remedy on earth, *The Great Sierra Kidney and Liver Cure*. This is positively a purely vegetable medicine that is warranted to do the work it is advertised to do. For sale by all druggists. *Sierra Chemical Company, 24 1/2 Mission Street, San Francisco, Cal.*

GENTLEMEN: My partner and myself purchased one dozen bottles of your Great Sierra Kidney and Liver Cure. We have taken it, and to our surprise find there is one first-class remedy that actually does the work it is advertised to do. We join in giving the GREAT SIERRA KIDNEY AND LIVER CURE the highest recommendation, and would advise all that are debilitated in any way to give it a trial, as we have done. Very respectfully yours, **FAIRBANKS & HUGGLES, 100 California Street, San Francisco.**

The Way of Fair Woman.—"I got an elegant idea from my wife this morning." "Did it come by mail?" "No, she expressed it."

WAKED UP EFFECTUALLY.

A lethargic, dormant condition of the liver is hardly to be overcome with drastic cathartics and nauseous cholagogues. A gentler, pleasanter and far more effective means exists of arousing the organ when somnolent. This is Hostetter's stomach bitters, vouchered for by the medical fraternity, tested by the public for many years. A restoration by the biliary organ of its secretory function, with the activity attendant upon health, a return to regularity of the bowels and a renewal of digestion are the no less happy and certain results of using the Bitters systematically. Its laxative effect is never painful and drenching, its tendency being rather to perpetuate regularity than to produce a copious action. Malaria, nervousness, debility, kidney troubles and neuralgia it subdues effectually.

For all blood taints and humors, pimples, blotches, eruptions and skin diseases of every name and nature is Dr. Pierce's Golden Medical Discovery. A certificate of guarantee from a responsible business house warrants it to benefit or cure, or money refunded.

A HOTEL RUN BY ELECTRICITY.

What is known as an electrical hotel has been running at Sandusky, N. Y. The building is lighted by electricity generated by a water-wheel propelled by a cataraet. All the rooms are supplied with electric lights, and the cooking range contains resistance coils brought to a red heat by a powerful current. Water may be heated and eggs cooked on the dining table by means of a current of electricity. The running of a hotel by electricity and its application in a thousand other ways is not equal to the scientific manner in which Drs. Darrin employ the subtle fluid in the restoration of health to the afflicted, as the following multiplying results show. Drs. Darrin appear to know the uses of electricity to the human system quite as well as Edison does to the application of machinery.

Mr. William M. Caldwell of the Columbia River Manufacturing Company Cured of Sciatic Rheumatism.

Editor Oregonian—DEAR SIR: Having heard of Dr. Darrin through my brother, George L. Caldwell, who was cured of a numbness of the arm of many years' standing, I was induced to apply to him for relief from sciatic rheumatism which was then extremely painful, and also a diseased liver, from which I suffered very much. I was cured of rheumatism in two weeks' time, so that I have felt no recurrence of the disease, and am rapidly recovering from the liver difficulty, so that my health is better than for several years. **WILLIAM M. CALDWELL, Skamokawa, Wash.**

Brief Mention of People Cured by Dr. Darrin.

Mrs. F. W. Villet, Portland Heights—Neuralgia, or tic doloireux, three years; cured.

L. P. Smith, Freeport Wash.—Liver and kidney complaint; cured. He was also reduced eighteen pounds in flesh.

Mrs. J. Martin, Olex, Or.—Chronic rheumatism, general debility and various ailments for three years; cured one year ago.

B. Van Pelt, Salem, Or.—Severe headache, to the extent that it caused him to stagger and undermined his health; restored.

Miss Sadie L. Campbell, employed at Litt's dress-making establishment, Portland—Cured of catarrh, bronchitis and weak lungs.

E. B. Chamberlain, Woods, Tillamook county, Or.—Afflicted fifty years with kidney and liver complaint and neuralgia of the stomach; cured in six weeks.

Drs. Darrin can be consulted daily at the Washington building, corner of Fourth and Washington streets, Portland, and Hotel Gondolf, Tacoma. Hours, 10 to 5; evenings, 7 to 8; Sundays, 10 to 12. All chronic diseases, irregularities of women, blood taints, loss of vital power and early indiscretions permanently cured, though no references are ever made in the press concerning such cases, owing to the delicacy of the patients. Examinations free to all, and circulars will be sent to any address. Charges for treatment according to patient's ability to pay. The poor treated free of charge from 10 to 11 daily. All private diseases confidentially treated, and cures guaranteed. Patients at a distance can be cured by home treatment. Med. cines and le... out without the doctors' name appearing.

A MOTHER'S LOVE SAVES HER TEN YEAR OLD CHILD.

My little girl, ten years of age, had Bright's disease. Her ankles, legs and eyes were terribly swollen. Four of our best physicians attended her, but her life was despaired of. A mother's love surmounted all difficulties, and I determined to try Dr. David Kennedy's Favorite Remedy, made at Rondout, N. Y. Bright's disease! How happy I am that I determined upon this course—for one by one the well-known symptoms of the disease left her. Words fail to express my gratitude, and I cannot too earnestly recommend the Favorite Remedy. Her recovery was entirely due to the Favorite Remedy, which was the only medicine taken after her case was abandoned by the physicians—Mrs. Laura A. Kempton, West Rutland, Vermont.

DR. PRICE'S CREAM'S BAKING POWDER

MOST PERFECT MADE.

FROM THE PROFESSOR OF CHEMISTRY, CALIFORNIA COLLEGE OF PHARMACY.

SAN FRANCISCO, January 24, 1899.

I have made a careful analysis of a sample of Dr. Price's Cream Baking Powder purchased by me in open market. The results of my analysis show that the Cream of Tartar used in its manufacture is pure, and that it does not contain any foreign substances, such as Alum, Ammonia, Lime or other impurities. I consider it to be pure and wholesome and in every way a superior article.

WHAT THE TOWN WANTED.

Citizen—So you think of locating here?
Physician—Yes. I thought some of practicing among you.
Citizen—See here, young man, there is a good opening here for a man as understands his biz, but we don't want no practicing, or experimenting—doctoring's what we want!

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here or there, and in this way they all present alike to themselves and their easy-going and indifferent or over-busy doctor, separate and distinct diseases, for which he prescribes his pills and potions, assuming them to be such, when, in reality, they are all only symptoms caused by some womb disorder. The physician, ignorant of the cause of suffering, encourages his "practice" until large bills are made. The suffering patient gets no better, but probably worse by reason of the delay, wrong treatment and consequent complications. A proper medicine, like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It's the only medicine for the peculiar weaknesses, irregularities and painful derangements incident to women, sold by druggists, under a positive guarantee that it will give satisfaction in every case, or price (\$1.00) paid for it will be promptly refunded.
