THE FINISHING TOUCH. Various Forms Used by Welters in Closing Their Letters.

In regard to closings, there are many and varied forms, from the heretofore chilling "yours truly" to the many as-surances of loving friends. I say "here-tofore chilling," because forms of "yours truly" are now used as formulas denoting great attachment or sincerity, whereas some years ago this ending found its chief employment in business

Usage takes on many forms in this matter of ending. Some would close with a few appropriate words which have no connection with what has already preceded; others make a connec-The words "with best wishes" and "with kindest regards" make very graceful endings, but are fitting only when the parties exchange few letters or are not close friends. Where no connection is made between

the preceding clause and the concluding phrase, such expressions as: "Most af-testionstelt." "ever your loving be expected to admire. This is a much fectionately," "ever your loving be expected to admire. This is a much friend," or "believe me very much your more common practice than may at first friend," make up for any seeming ab-ruptness. One of the chief characteris-tics of a letter is the manner in which it hears in a single day; all the golden is closed. The formulæ have changed, opinions of great men and their works; and are changing not so much in form all the applause showered upon art as in appliance in late years. Many and artists; all the admiration of which used to indicate only the closest nature in her various moods, and, it he degrees of friendship are now used on be possessed of a keen insight, he will occasions where there is only a slight be forced to the conclusion that much of acquaintance, and often in a case where it is not the expression of genuine feelthe writer wishes only to show esteem ing, but a mere echo of other voices-a for his or her correspondent. copy of others' opinions. Or let any
Expressions which are used thus in-

discriminately are "sincerely yours," applause and honor, with this thought "very sincerely your friend," etc., etc. Of a packet of twenty-three letters writ- ly how many of them are really and ten mostly by different persons and truly the results of his own thoughts within the last four years, I find that and the translation of his own feelings, ten use nearly the same forms of 'sin- and how many are simply the reiteraten use nearly the same forms of "sincerely yours." I have chosen this packet because they were not written as from friends of long standing; where there are several from one person there is quite an interval of time between the several letters. In two of them "affectionately" was used, and one, a model ductions of the old masters delight the several letters. In two of them "affectionately" was used, and one, a model ductions of the old masters delight the

INSINCERE ADMIRATION. A Much More Common Vice Than May Sierra Chemical Co. at Pirst Be Supposed.

There are some virtues which receive continually violated in spirit without any social penalty, and apparently with-out any serious conviction of wrong-do-ing. Truthfulness is one of these. While an open lie is held in just abhorrence by the community at large, there are various forms of insincerity that receive no public censure and scarcely awaken even a faint protest from the average individual. One of the commonest of these forms is insincere admiration. By this is not meant that guile which stoops to flattery with some definite purpose in view, but that far Firm of Reynold & Adams, San Fran-more subtle and insinuating habit of praising and commending those persons of elegance from a New York City home, the words "lovingly yours" appear.

Such endings used in such connections indicate not the degree of friendship existing between the writer and the coraroused? We fear not. Much of it is When "very truly," "very sincerely," doubtless sincere and unaffected, but to, are used, the words "I am" and "I much is also uttered because it is supremain" are a great help in destroying posed to be the right thing to say. Con-

A MERCHANT'S DECISION APTER

GENTLEMEN: When I started in to give unlimited respect in name, and the gross and palpable infringements of which society is ready enough to punish by the loss of her favor, yet which are verticed preparations—put up to make taken it my decision is that it is the be t remedy in the world for kidney and liver that I will forever praise it and gladly recommend it to all suffering with general

disorders of the body. Very truly yours, ciscs, California,

Jimmy Methodist—Say, pa, I wish you'd turn Saptist. Mr. Methodist—Why, Jimmy? Jimmy who has witnessed a baptism)—So I could go in swimmin' Sundays.

TAKE CARE! THERE IS DANGER

In allowing insectivity of the kidneys to grow through neglect. The deadly shoals of Bright's disease and diabetes willwreck the goodly hark of health if it is allowed to drift rudderless upon them. The bladder, too, if inactive and judicious medication does not speedly direct the helm toward the port of safety, will be whelmed by the quicksand of disease. In selecting a directic let your choice fall upon Hostetter's Stomach Bilters, which stimulates the renal organs without irritating and exciting them, two effects to be apprehended from the unmedicated atimuli largely resorted to. These have a tendency to react prejudicially. The Bitters invigorate the kidneys and bladder, in common with the nerves and digestive organs, and so afford hasting sid. It also affords dual assistance in preventing and curing intermittent and remittent lever. Billousness, constipation and rheumatism it also rabjugates.

KEEP YOUR BLOOD PURE. Impure blood, however g nerated, is always present in the body when pain is felt;

it spreads and ferments wherever a weak Take BRANDRETR'S PILLS to make the blood pure and expel all that is hu tful to the system. They are the one great and unfailing remedy. They cleanse the bow-els and restore equal circulation through-out the body. They preserve the vigor of youthful, and of en save life.

An Echo.—" When do you do your best work Mr. Cynleus!" "Never. There is no market fo

A NEW PACIFIC COAST ENTERPRISE

A f. ctory has recently been belit, and is now putting up Condensed Milk and Condensed Coffee, under the "California Brand," at Buena Park, Orange county, Cai. The goods are of excellent quality. The Condensed Milk equals the best of Eistern manufacture. The Condensed Coffee combines cream, sugar and coffee. Hot water only is needed to make an excellent cup of coffee in a few seconds. The oors are warranted pure and unadulter ated. They should be given preference by all dealers and consumers. Ask your grocer for it.

Undoubtedly Correct.—"George," asked Mrs. himso, "what paper in the United States has be largest circulation?" "Paper money," re-died Cumso promptly.
