Send sample copies of Express to your friends.

A. R. Lyle is down from Crook county buying stock.

A mammoth turnip can be seen at the office of Peterson & Wallace. It is from the garden of J. R. Kirkpatrick, and weeks, Death entered and claimed his own. Mr. Miller was a new-comer to our town, about 35 years of age. Funeral services were held at his home in Virginia at the same hour they were held in Lebanon.

Last Monday evening Mis: Mary Schlosser, one of Albany's most highly and they then took J. R. Kirkpatrick.

Mary is the victim of misplaced confi- ter was kept secret in order to obtain the property from its owner, Mr. Hoag, the same day he went. of the O. P. Railroad Co. That being unbounded known resources of Leba-non and vicinity is added a gas and oil Humphrey & Taylor's saw mill. R. W. Mitchell, one of the principal stockholders of the wegon road company, and E N Deady, son of Hon M P Deady, passed through Lebanon the first of the week on their way up the road.

The seats for the new school house are on hand. They are single seats, the latest and best. The boys and girls will now have no chance to lav their misconduct to their seat-mate's action.

R. W. Mitchell, one of the principal stockholders of the principal stockholders of Goltra station, did remarkably good work with their new stead thresher, having threshed in a run of 31½ days 63,001 bushels of grain, an average of about 2002 bushels per day. Their thresher is the new Advance, 32-inch cylinder, 56-inch separator, and was run by a 10-horse-power Advance engine. If any of our farmers have beaten this record, let us hear from them.

Min. Russell, of Brownsville, were look-ling over our town last Saturday.

Mrs. J. A. Powell and Albert and Minnie Powell left last Friday for a mountain trip to Lower Soda and below. Capital and energy are the elements now that must join hands, and Lebanon will have a growth and boom unknown in her history. Similar discoveries have also been made on the work at the paper mill in the absence of his brother.

Ed. O'Neil is again in the city from California. He has taken charge of the work at the paper mill in the absence of his brother. to be told. Besides the gas, and but a ing over our town last Saturday. Elkins' property above town and in Kirkpatrick's addition.

"BAB EGGS." About two weeks ago Claud D. Reed and Chas. Waters, after getting money water. No more easing will have to be put in. For three days the work progressed at the rate of 25 feet a day, but an average day's work in the rock that is now encountered is 10 feet.

for painting the Presbyterian church at Albany and the Lebanon school building, skipped out, owing over \$400 for material. Chief of Police Hoffman mmediately wrote to their former of Lebanon was the number of idle home, Kansas, Ill., and this morning Straw, straw! What industries the energy of man does give rise to!

Where is the town with such a rush in business as in Lebanon Saturday? Streets crowded with wagons; business as in Lebanon Saturday? Streets crowded with patrons; the air full of the praises of our city; the pockets of alfull of money.

By the re-count Portland has a population of about 63,000 and Oregon of S21,600.

Where is the town with such a rush in business as in Lebanon Saturday? Streets crowded with wagons; business as in Lebanon Saturday? Streets crowded with wagons; business in the State is just as promiment. One of the best signs of a city's growth is the fact that all have something to do and are doing it. Young man, keep your head above the stagnant water of idleness and congained to the proprietors as the cause of it. We understand that Richard Cheadle in a rented his farm to J M Marks, and for their wise oversight of the stagnant. young men who were the daily received a letter from the chief of police Much credit is due our city "datis" for their wise oversight of the city's growth.

Rev. G. E. Meyer, of Mount Angel. Or, registered at the St. Charles Wednesday.
