future, and one is liable to a second and the execution of that law on the News mentions a flour mill and a bank as essentials to the city's growth.

Our stores are well stocked with hotiday goods, which fact points to a Christmas tree for Lebanon.

All parties knowing themselves in debted to me will please call and settle, as I need my money. M. A. MILLER.

There seems to be a general uprising of the savages all over the Northwest. A book agent always comes unherstanded, and herein lies his success, it is incorporated as a part of the doubtful if he would find anybody at both and left an empty whiskey flask in settlement of the account. J. R. Thompson of Talman called last Friday and told us that the narrow gauge is no more in that part of the country.

You will have no use for spectacles in extent, it would afford its defense-less and deprepit citizens protection against the attacks of these miniature the film and seum which accumulates the film and seum which accumulates. destroy those children of nature whose heritage we have taken in order to take them good. Later still, but with a bolder mien, we see this hydra-headed monster, emerging from the blood-stained darkness of the past, in the prohibition movement of to-day. The thin vell which its devotees have

thrown around it, namely, the prevent deeds of rapine are not fit for publica-tion, and whose loathsome bodies or-namented the yard-arms of King. George's war ships a century ago. Of course we were shocked at such an ex-pression, and we blush for the modern prohibitionist. That intemperance is a blighting curse to this fair land, no right to correct these evils by the hard traduction of a practice that has black- 20 lbs Beans.

the human race. We are not a prohibitionist. We sould not be one if we tried. Above we have given some of our reasons and if we thereby incur the displeasur and frowns of our probibition friend we will have the pleasure of knowing that we, like many others in Browns' ville, have lived up to our honest convictions, and we will stand the consequences like a little man. NEMO.

"Is this the best?" Is a question often asked, when medicine is wanted. The following are a few of the medicines of known reliability, sold by M. A. Miller, druggist of this place. He has many other excellent medicines, but these are worthy of especial mention: CHAMBERLAIN'S COUGH REMEDY. famous for its cures of severe colds, and
