into the Sweet Home church.

At the appointed time for service I, hibit the liquor traffic are guilty of a in company with others on the way of families in which will lead men to Presbyterian church Wednesday night.

Andy Jennings killed a very large bear on McDowell creek a few days since.

Dr. Barker brought some rich concentrates from the Quartzville mines last week.

Sick Headache and a sensation of oppression and duliness in the head, are very commonly produced by Indigest to the church, "There have been men on the inside nailing the windows and the door shut," "There have been men on the inside nailing the windows and the door shut," "There have been men on the inside nailing the windows and the door shut," "The men are in the church," "They will get hurring the common herd.

We understand that they have the measles severally and collectively at the control of time for service I, the the way to fanatic/sm which will lead men to company with others in the way to fanatic/sm which will lead men to company with others in the church; "They have guarded it," "There have been will be blood shed it you attempt to substantiate this strange pet theory of you ought to make some little effort to substantiate this strange pet theory of yours, or then give it up like a little man. You say "they (problibit nists) brand the distillers, or ewers and saloon men as criminals, and yet they have may, in a majorty of cases, be traced to the same cause. Dr. J. H. McLean's Kidney Balm and Pillets will positively cure.

Rat the appointed time for service I, the them of the church, "They have guarded it," "There have been men on the inside men on the church," "There have been men on the inside manifest which will lead men to commit menter the church; "They have guarded it," "There have been men on the inside nailing. We would wit be church," "There have been men on the inside nailing. We will be blood shed it you attempt to substantiate this strange pet theory of yours, or then give it up like a fifth of the church." "They will be shot," it is just because men make, buy and soll intoxicating liquors in accordance with law to the church." "There have been men on the intermental time for service I, the churc Rev. McElroy went with others faster than I and found about 100 people gathered, waiting for the door to open. I came and saw Rev. M. talking with J. N. Galbraith (trustee) It was found before all the people that he (J. N. G.) had consented to have and learn the class of the control of the for nien to make, buy and sell as bey- ing for a business location. erages that which only tends to wreck and ruin those who drink it.

Agalo, you say: "Christ filled the empty jugs and bottles at the marriage feast of Canaan; had he done so in Kansas he would heve been landed in the penitentiary," &c. Now, to say nothing of your misquoting the scrip-ture account, it is only necessary to say that the wine he made was pure, sweet wine, with no alcohol whatever in it. To know the truth of my posi-tion as just stated, you only have to refer to two passages of scripture which he, by his spirit, had inspired men to write, which I here quote for you: "Woe unto him that putieth the bottle to his neighbor's lips and maketh him drunken also." "Lock not thou upon the wine when it is red, when it giveth its color in the cup, when it moveth itself aright (or ferments), for at the spend a few days during the adjourntast it biteth like a scrpent and sting-ment of that body. case that he who pronounced a wos-upon men for putting the intoxleating cup to their neighbor's lips, would himself prepare intoxleating wine to be drank at a marriage feast? or that fermented or intoxicating wine, would contradict his own teachings by making it and ordering it to be distributed.

We have the Arman and then here goe.

at the feast? It requires an incredible of a more serious type than measles amount of incredulity to entertain her place in the set of the set ing it and ordering it to be distributed such an idea. Now any man in Kansas is allowed to take his grapes and press the fresh, rich juice from them and drank it and give it to his neighbor to drink, and in so doing violates ne turned to his home in Gregon City law, human or divine; but what the Friday, prohibitory law of Kansas forbids is S. M. Garland went to Oregon City the making, buying, selling, &c., of in-toxicating liquors. Nemo, it is really discouraging to see how far you are be-bind the times; wake up, or you'll be left by every schoolboy in Brownsville. sin and temptation into the world"? Join his family who have been in Iowa What a monstrous proposition! Friend several months; from the latter place the Judge will go to Ohio to visit relter with your meral philosophy; you alives in that state, and will return to have been leiting the Oregonian do Lebanon in the spring; your thinking along the line of tem perance and theology.
