BROTHERHOOD.

All mankind are brethren. Every human being who comes in our way and stands in need of our aid, is entitled to our sympathy.

The interdependence of humanity must be patent to everyone. "Is the foot's complaint with, without its application to society or to-day?" Can the hand suffer, and yet other members of the body enjoy perfect health?

The Oregonian of the 31st says that a man who has delivered 200 speeches in Kansas in the interests of the Farmers' Alliance has declared himself that there is no man mad as a consequence of listening to his speeches.

In the event that the Italians undertake to avenge the Mafia murders, the Texans to the number of 5000 are ready to march to the seat of war.

Baron Fava, Italian minister to this country, has been recalled. This action on the part of the Italian government is susceptible of a variety of interpretations.

There is an unseemly scramble going on between the Woodburn Independent and the Reform Journal, published in Portland, each laboring to become the recognized organ of the Farmers' Alliance.

SOBER THOUGHTS FOR SOLEMN PEOPLE.

WHAT HAVE I DONE?—No. 1. The person into whose hands these series of articles may come, is supposed to ask "what have I done?" Let no one refuse to consider the answer on the ground that he knows already what he has done better than anyone can tell him.

By careful tests, made by competent authority, the sugar beets raised on undrained lands about Toledo, shows the prevalence of saccharine to the extent of 16 per cent; that is, each ton of beets turns out 260 pounds of sugar.

Washington has outdone Oregon in immigration for the past one or two years, but the tide is now turning and the people are setting their faces Zion-ward.

The influenza is raging to an alarming extent in various parts of the State. A large percentage of those attacked die of some pulmonary disease, such as pneumonia and kindred ailments.

Remarkable Rescue. Mrs. Michael Curtin, of Platteville, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse.

CHEAP SUGAR.

By careful tests, made by competent authority, the sugar beets raised on undrained lands about Toledo, shows the prevalence of saccharine to the extent of 16 per cent; that is, each ton of beets turns out 260 pounds of sugar.

Happy Hoosiers. Wm. Timmons, Postmaster of Idaville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that had feeling arising from Kidney and Liver trouble."

ANGELISA COTTAGE, L. B., July 2. Gentlemen: Altho' it is very unusual for me to use any lotions or ointments, in answer to your request, I have tried Wisdom's Violet Cream and Robertine. The former I consider especially efficacious in cases of eruptions of the skin.
