Blue River Mines.

The snow is now melting fast in the Blue River mines, and in a couple of weeks many will be going into the mines to prospect and work on claims. The Taconna Co. is still working a force of men, and will soon ship their quartz mill. A small block of their stock was put on the Taconna market and bought up eagerly. It is now said the Brownstville Co. will certainly put in a mill during the summer. Great devlopments will be made in these mines the made in these mines the mext few months.—Eugene in the short span of one night only.

A few days ago while sitting in Elder
Bros.' drug store at Tingley, Iowa, Mr.
T. L. Dyer, a well known citizen, came
in and asked for something for a severe
cold which he had. Mr. Elder took
down a bottle of Chamberlain's Cough
Remedy and said: "Here is something
I can recemmend. It commands a
large sale and gives genuine satisfaction. It is an excellent preparation
and cheap." Mr. Dyer purchased a
bottle, and the next day when we saw
him he said he was much better, and
the day following appeared to be entirely restored. This is a specimen of
the effectiveness of this preparation.
